BOARD OF EDUCATION

Dr. Edwin Lloyd absent

Mr. Richard Harris is serving his third year as the superintendent of North Baltimore Schools. His leadership commends the respect and admiration of students and teachers alike.

Mr. Harris holds a BS Degree from Ohio State University and MA in Education from Toledo University.

Elementary principal has been a busy job for Miss Clara Miller for twelve years. She directs the administration of our elementary schools, administers tests, and formerly taught geography. Beginning her career as an elementary teacher, Miss Miller subsequently spent eight years teaching English and Ohio History. She received her BS Degree in Elementary Education from BGSU and a degree in remedial reading from Chicago University.

Completing his fourth year as high school principal is Mr. Mearl R. Atkins. Mr. Atkins' duties consist of executing disciplinary duties, keeping records, distributing grade cards, and acting as official representative of the school on various occasions. He received his BA Degree from Fairmont College and his ME Degree from Bowling Green State University.

As secretary to Mr. Harris, the many duties performed by Mrs. Charles Lloyd provide an essential part of each day's program at NBHS. Mrs. Lloyd, now serving her eighth year in this position, balances school records, cares for correspondence and finance, issues supplies to teachers, administers first aid, and takes over classes in emergencies.
