How do you like that for a block-out?

This is the squeeze play!

Thumbs up!

Chargin' on Wymer!

How do you like the devil on the wall?

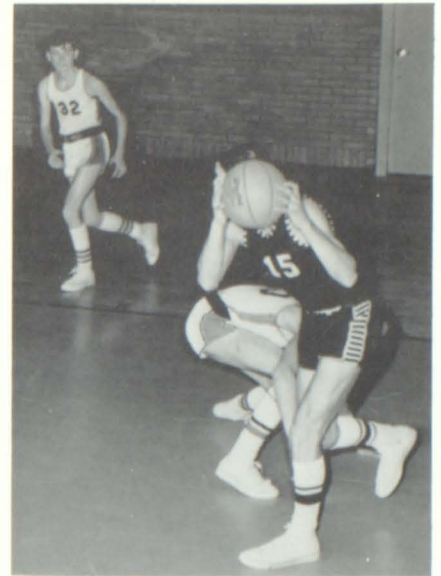

Six foot, eleven inches Jones!

Look at all the flat feet!

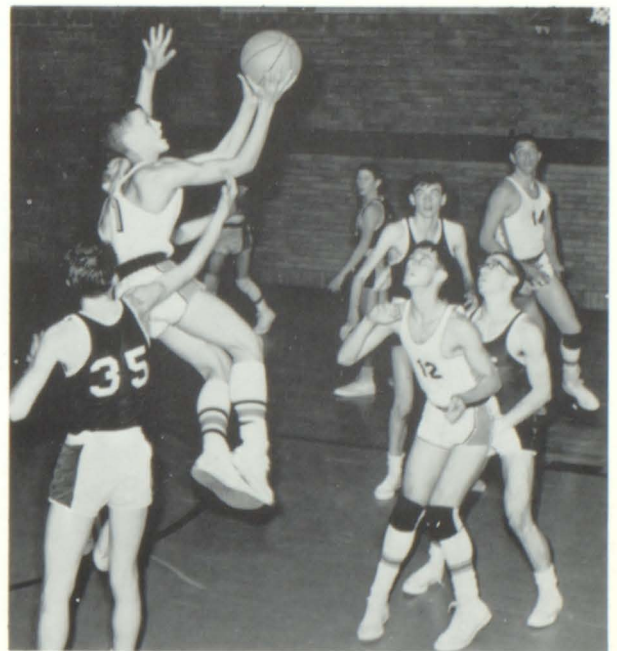

This is strictly routine--but here we go!

Just checkin' for gum.

Listen to Erford now Weith!

Just call me fancy Dan!

Someone just pulled a fast one!

It's up there someplace--but where?

What do you expect--Five against two?

Pick it up under the bucket, Don.

Like that elbow in the nose, Thompson?

Look at me jump against curls.

Four to one--got to make this one for sure!

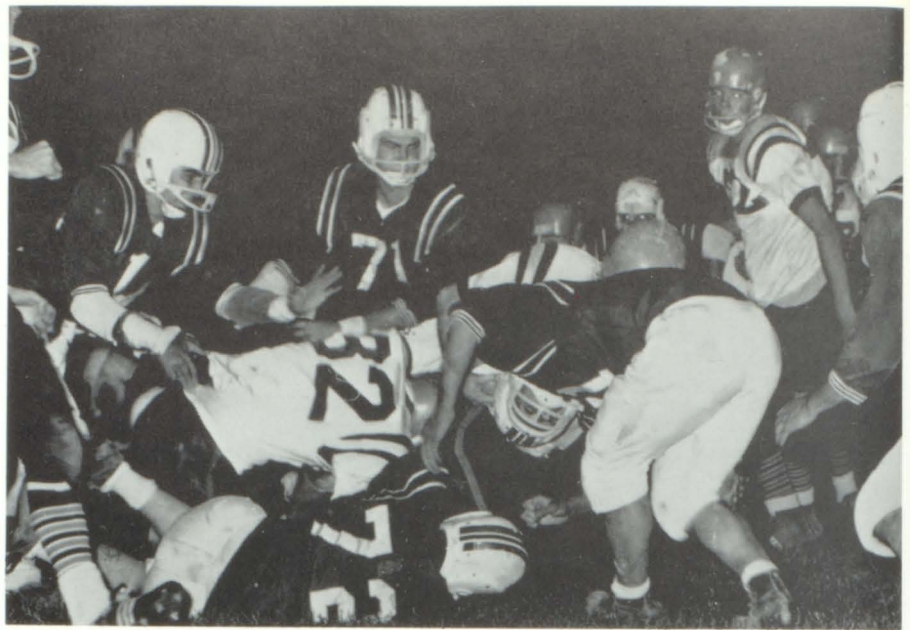

You guys can't stop me!

Better try that one again!

Hands off the face guard--
that's illegal!

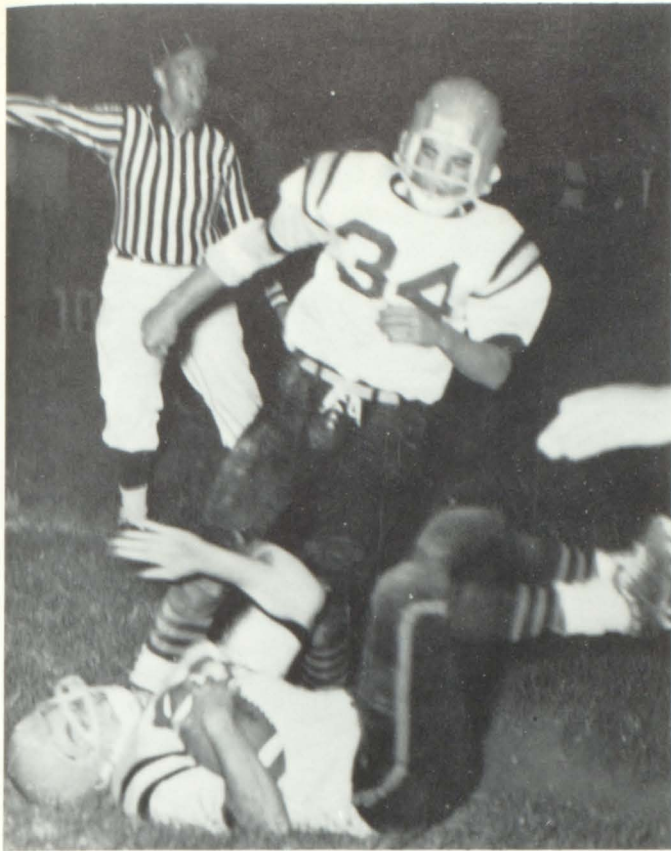

Peek-aboo! I see you!

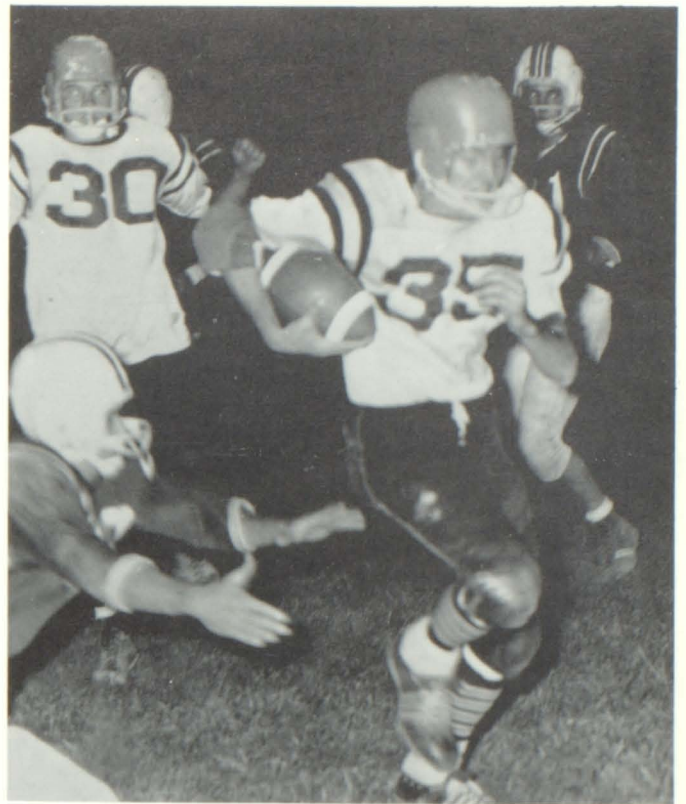

Oh! That smarts!

You dive on him and
I'll dive on you!

Oh great! What a time to get the giggles!

Ah, dig that crazy beat!

I got you now!

Down, but I still got the watermelon!

Stop! In the name of the law!
