## In Memoriam

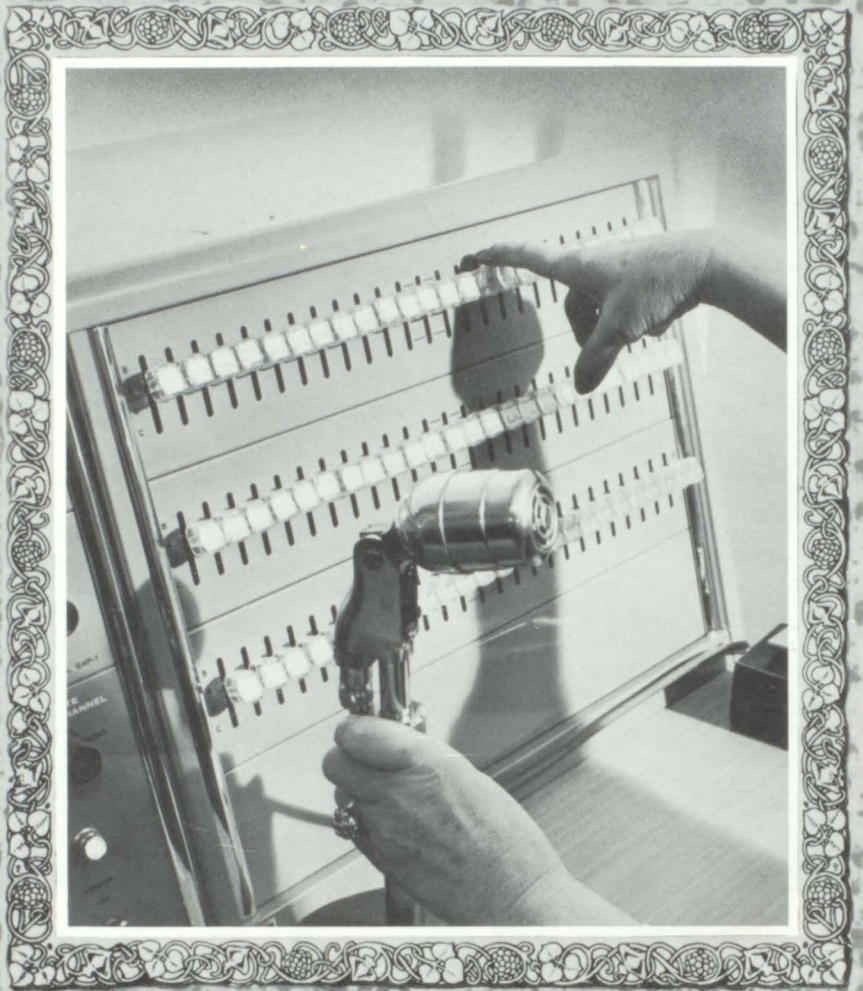

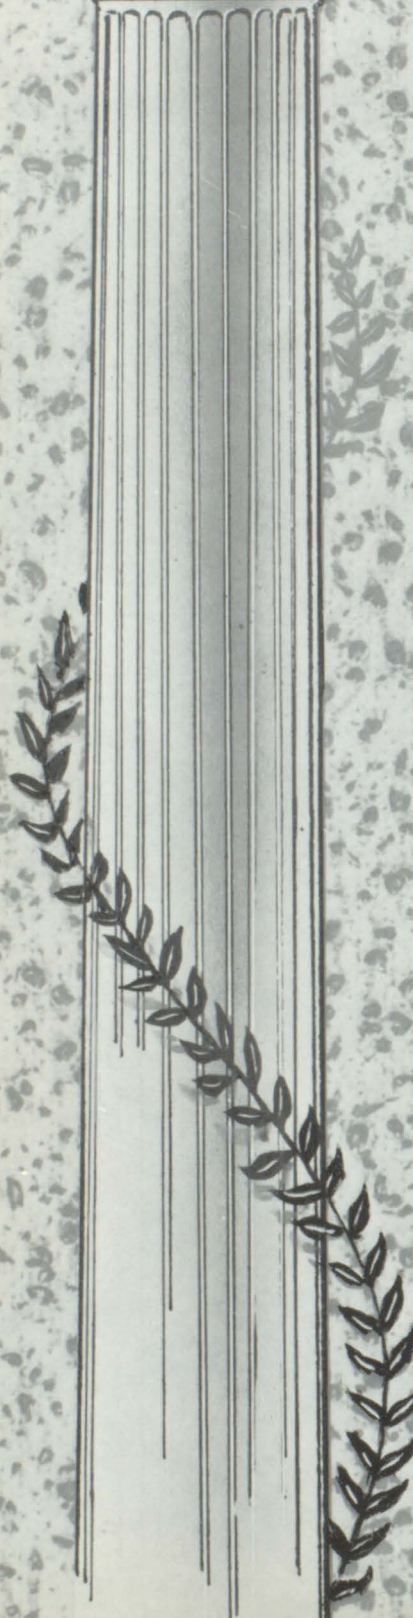

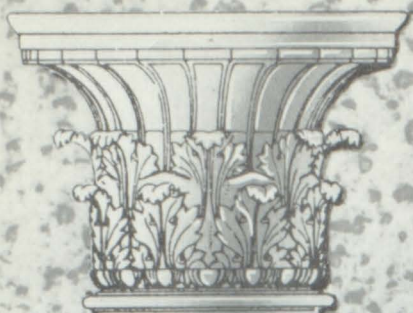

Sadness lingers in the hearts of all for the two members of the class of 1966 whose untimely deaths separated them from their class.

Dianne Moore was in the eighth grade and Larry Boyer was in the seventh grade when they were taken from us.

A vacant place remains unfilled in the class of 1966 as we cherish their memory.

# ADMINISTRATION

# Superintendent of Schools

Mr. Richard Harris, executive head for eight years of North Baltimore Local Schools, has been the instigator of many needed improvements in the school curriculum and school plant. These improvements have benefited the students directly and the residents of North Baltimore indirectly.

Mr. Harris received his Bachelor of Science Degree from Ohio State University and his Master of Education Degree from Toledo University where he is presently engaged in advanced study.

Always busy--Mrs. Charles Lloyd serves as secretary to the superintendent.

# High School Principal

Mr. Wayne Miller, new principal at the high school, keeps the school operating smoothly and efficiently--yet he always has time to extend a friendly hand to students, faculty and visitors alike.

Mr. Miller received his advanced education at Toledo University. He received his Bachelor of Science Degree in 1955 and his Master of Education Degree in School Administration in 1962.

Always interested--Mrs. William Holloway serves as secretary to the high school principal.

## Guidance Counselor

Mr. Raymond George helps to guide the students of North Baltimore High School in preparing their program of studies and assisting them in the academic phase of their high school lives.

He attended Bowling Green State University and received a Master of Education Degree in Guidance from Toledo University.

Mr. Reed Oberholtzer is responsible for the supervision of the elementary grades in the school system.
