## **Lisa Lee Lawson**

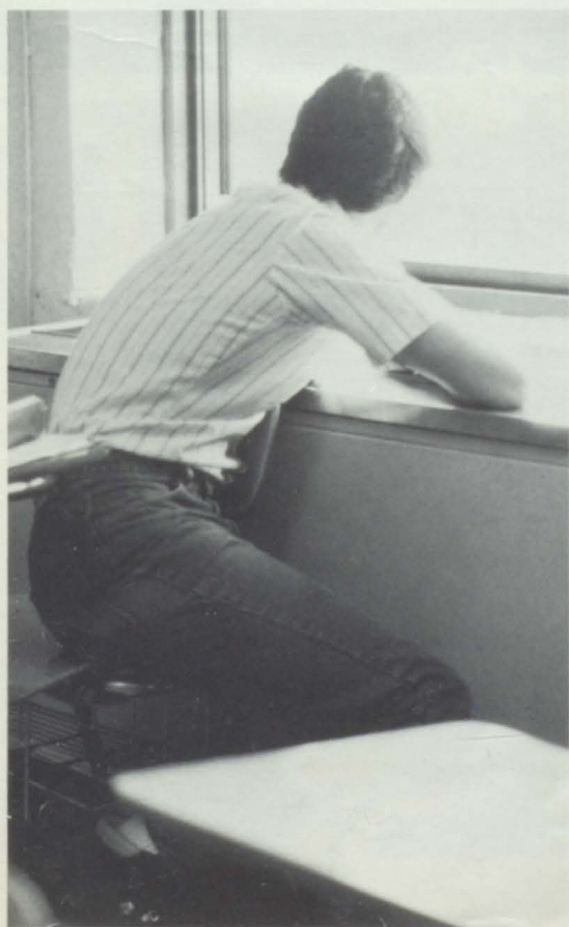

The Class of '82 dedicates the 1982 Tiger to the memory of Lisa Lawson.

Lisa, the daughter of Mr. and Mrs. Charles Lawson, was born on October 20, 1963, and died following an extended illness on October 30, 1978. Her death caused all of us to reflect on the fragile quality of life. Her memory prevails.

## So Many Paths to Explore . . . So Many Directions to Take . . .

The 1981-82 school year was one of doubt, decision and discovery for NBHSers. Few have the "world on a string" as John Kelley's pose (UPPER LEFT) might suggest. Students often shared views with peers and faculty on the economic chaos that kept inflation and unemployment in the news. Seniors had to live with those economic realities in planning their trip to Washington, D.C., with spiraling costs. (TOP RIGHT)

Mary Stimmel, Deb Guinn, and Becky Bowers discover some of the textbook truths from the classics in English literature. (ABOVE) Tim Gerdeman (LEFT) ponders the weighty decisions of what to do with a future.

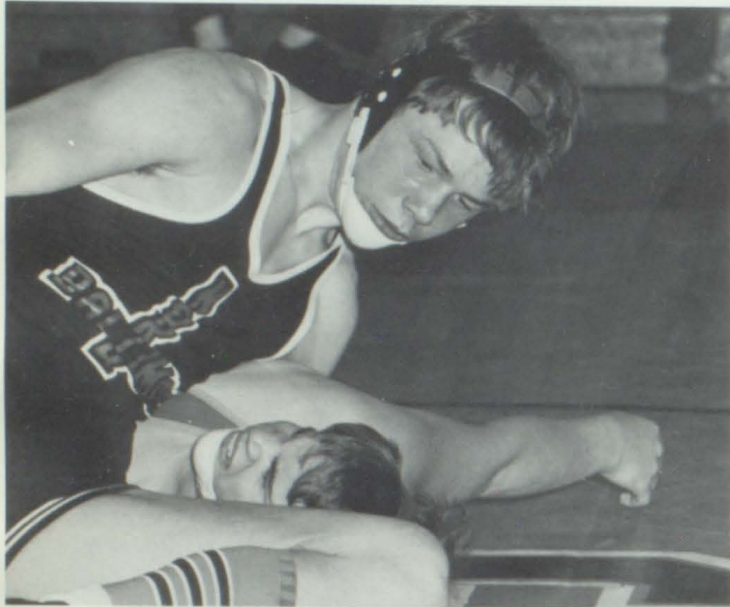

# One Path Led to Columbus . . .

Four senior boys made the year more memorable through individual accomplishments. Wrestlers Bob Brumbaugh and Scott Kretz and tracksters Jim Casey and Jim James all qualified for State-level competition in Columbus.

BELOW — Bob Brumbaugh earned a fourth-place finish while Scott Kretz (RIGHT) took a seventh.

BOTTOM LEFT — Jim Casey blazed to a fifth-position finish in a very controversial 800-meter race. BOTTOM RIGHT — Jim James hurled the discus to a seventh-slot at the state meet.

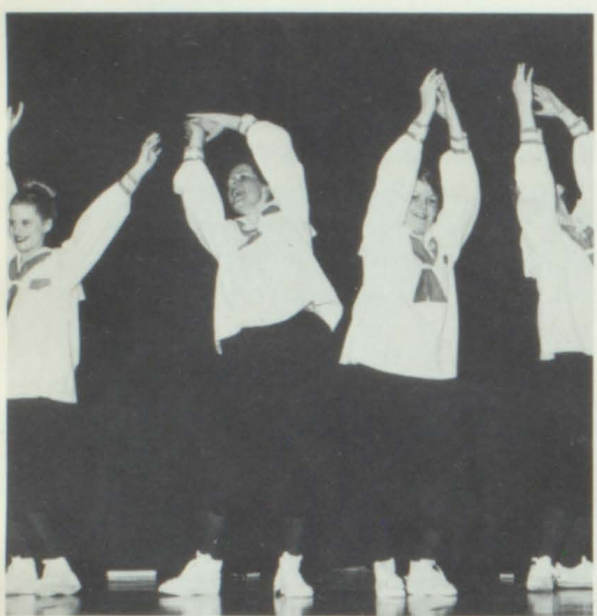

## Another Led to Milestones and Honors . . . "Hillard Class A Player of the Year"

Tammy Hillard, the Tigers' 6-foot-3 mainstay, closed her brilliant career by being named Ohio's Class A Player of the Year by the AP. She led the gals to 23 straight wins before dropping the Regional crown to Marion Local.

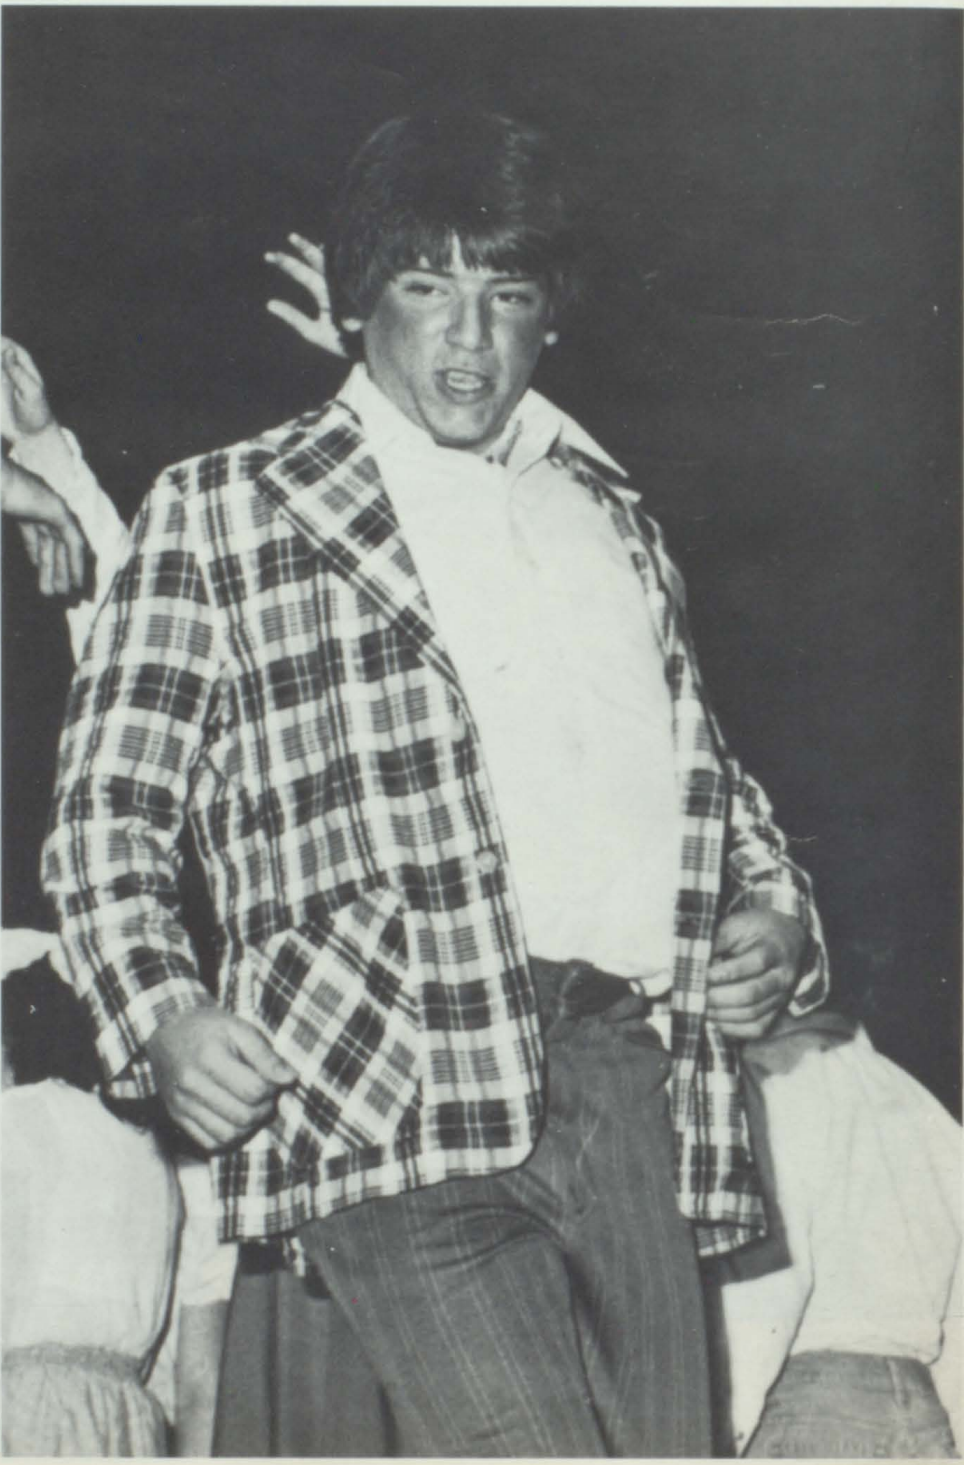

The other five senior teammates applaud Tammy's recognition for her 2000 career points (BELOW). Despite double-and-triple-teaming, Tammy tallied 2385 career points and snared 1276 rebounds; both marks school records by huge margins.

**And a "Music Man"  
Success**

The music department scored another Tiger triumph with the April performances of "The Music Man" featuring the singing, dancing and acting of dozens of NB students. The hours of rehearsal and hard work paid off in enthusiastic reception by large audiences for the Friday-Saturday showings.

## The Good Times of Spring

April and May brought two springtime events: The April Fool's Dance (ABOVE RIGHT and TOP RIGHT) and the Prom. TOP LEFT — Cris McCoy puts the finishing touches on the Eiffel Tower backdrop for "An Evening in Paris." LEFT — Becky Bowers and Mark Aller and other couples (ABOVE MIDDLE) dance to Journey's "Keep on Loving You" at the Prom.

## For the Class of 1982 the Path led to Freedom and New Responsibilities

In a year filled with Columbia Shuttle flights to space, the ERA issue dying a slow death, political unrest in El Salvador, and a controversial 400-thousand dollar deficit in NB School accounts and the passage of an emergency operating levy, the best day of 1982 for the seniors was June 6. The 58 members of the Class of 82 got to march the gym aisle that led to that treasured piece of paper that says, "I made it!"

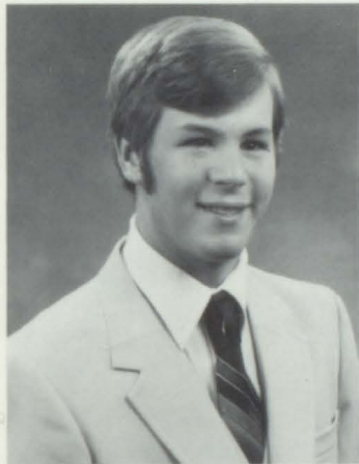

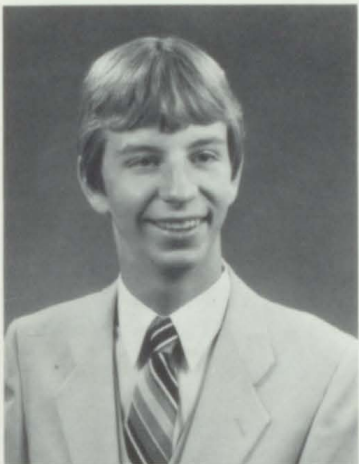

# Seniors

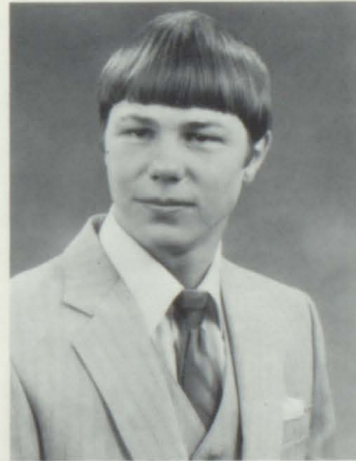

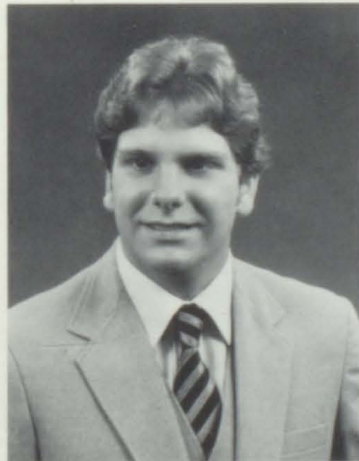

LEFT — Senior Class President Mark Aller negotiates senior trip preparations in a February meeting with travel agent Tom Heaverin. The travel plans hit several snags, but under Aller's direction the trip to Washington, D.C., in late April took the class down yet another of life's many paths. The trip became an Event that the Class of '82 will long remember. BELOW — Class officers at Commencement (L-R): President Mark Aller; V-P Gary Slaughterbeck; Treasurer Bradd Benedict; and Secretary Debbie Guinn.
