## Bloodmobile Visits

Approximately thirty-two students and members of the North Baltimore community donated blood when the Red Cross Bloodmobile made a stop at the high school. The event was sponsored by the student council.

Council members, under the direction of advisor Donald Lang, set up equipment in the high school library. Members took temperatures, kept an eye on blood bags, numbered donations, and kept the can-teen stocked for donors. Refreshments of cookies, Kool-aid, and coffee were served to donors.
