FAREWELL PHOTOS

By Mike Trout

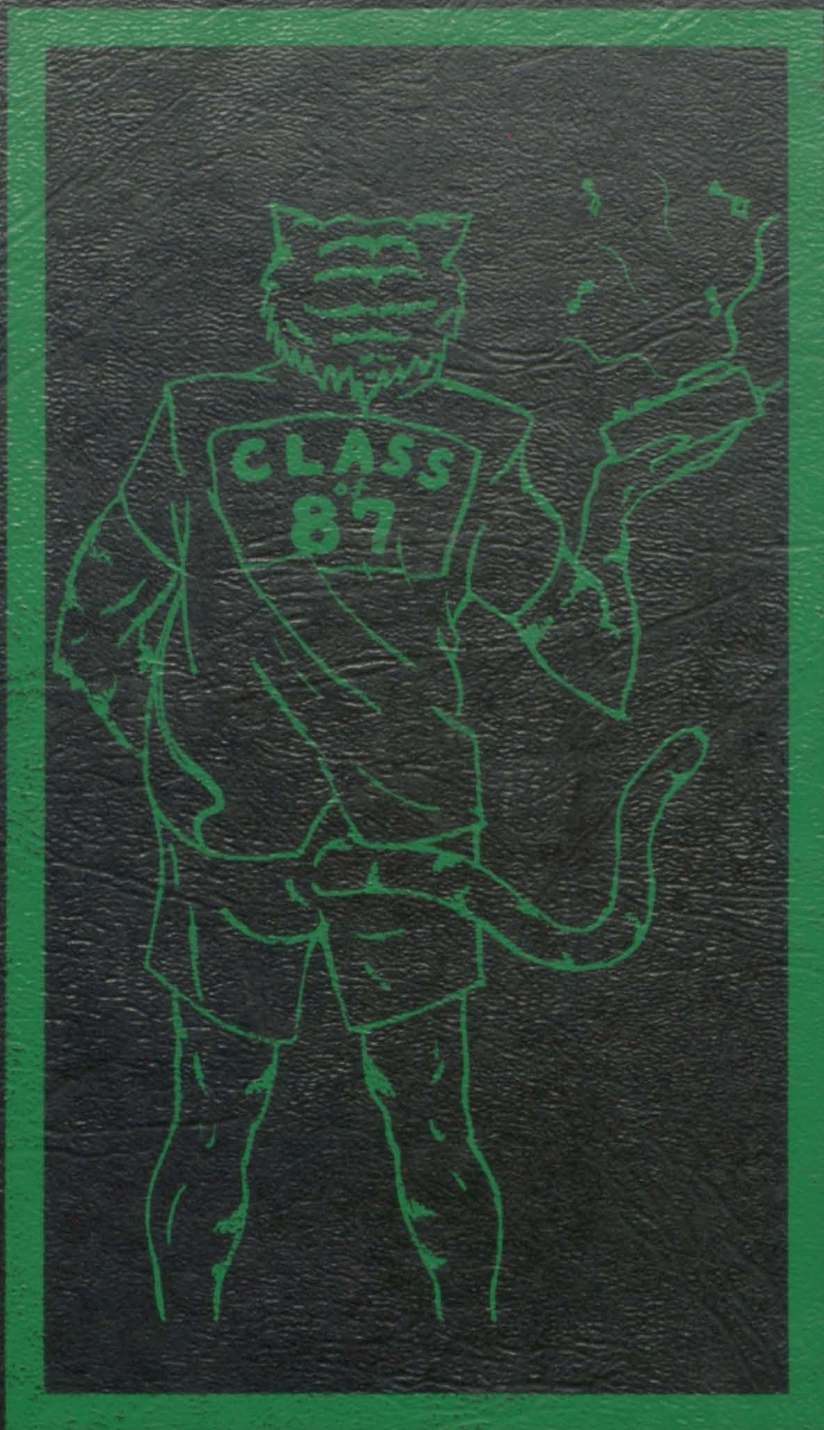

It takes more than twelve people to make a yearbook. Although we all worked hard at producing this annual, there are still people behind the scenes that really made this yearbook possible. To these people, the 1987 journalism class is forever indebted: FRED HENDERSON, Herff Jones yearbook representative; WOODARD STUDIOS, for providing many of our quality photos; DELORES BUCHER and DALE SCHWAB, for keeping our accounts in shape; ROBERT SWINGLE, for his talent as an artist; RAFF BECKER, also for providing artwork; JANE ZITKOV, for her help with computer graphics. We also would like to thank all administrators, faculty, members of the coaching staffs and students. Along with these people we deeply appreciate our advertisers, who provide us with the funds that we so desperately need.
