Acknowledgements

This yearbook came about through the efforts of many people. All who were involved worked very hard to produce the best book possible, but there are some special people who should be recognized. To these people, the journalism class is thankful: FRED HENDERSON, Herff Jones representative; WOODARD STUDIOS, for providing us with many of our photos; DOLORES BUCHER and DALE SCHWAB, for taking good care of our accounts; ROBERT SWINGLE, for his terrific art; RAFE BECKER, for additional artwork; JANE ZITKOV, for her work with computer graphics. A thank you should also be given to all administrators, faculty, members of the coaching staff, and students. And one final thanks to our advertisers for providing us with much needed funds.

Top Right: Dan Jacobs and Joe Kepling hang out; Middle Right: Very good buddies John Gerdeman and Garry Wymer clown around; Bottom Right: Clay McCartney creates his own piece of artwork; Middle: Nick Brooks and Ryan Brumbaugh study their project; Top Left: Allen Tatham pays close attention to his class; Above: Jo Lynn Francisco preparing for some fun.
