## Club And Fraternity Open To Math Students

By Chris Diedrich

The number of students in Math Club seemed to be, shall we say, multiplying this year. Anyone enthusiastic about math is eligible to join the NB club. During the year members received points for entering various competitions. They received additional points if they placed. At the end of the year, the freshman or sophomore with the most points, and the junior or senior with the highest points each received a plaque. To round off the year, the group held a picnic.

Math instructor Barb Christman advised the Math Club and also supervised activities of Mu Alpha Theta, NB's honorary fraternity.

Students with a 3.2 GPA and five semesters of college preparatory courses are eligible for induction. NB is proud to be one of two schools in Northwest Ohio with a chapter.

Although students seem to be divided on the subject of math, to sum things up, you do not have to be square to love it. In fact, if you ask Mrs. C about this matter, it all adds up.

## Secretaries Describe Dream Worker

By Jen Busch

Every day Dale Schwab and Dolores Bucher wish someone could be by their sides all day long. Sure, the high school students help out, but it gets a bit confusing when fifteen different people have attempted to do something, and no one knows if it has been finished or not.

Chip (Dolores) and Dale wouldn't ask much of their dream person. They just want him/her to be qualified for the job. The qualifications are simple. The dream worker should: have a pleasant personality, positive outlook, work well with others, be punctual and ambitious, not wait to be told to do something, keep things confi-

dential, and they should "like to have fun," says Dale.

Some of the things that Chip and Dale would have their dream worker do are the following: answer the phone, run copies, take mail to the board office, and type.

Since this is their dream, the worker would be able to use the main computer with a little assistance from them.

If you think you can help make Dale and Dolores's dream come true and are willing to give up your study hall, you can become an office worker!

Office workers Row 1: Patty Capelle, Joy Boger, Michelle Smith, Renee Rister. Row 2: Krista Sweet, Mary Kerr.

## Club Hosts Science Fair

By Dena Bear

The Science Club is a group of students who are interested in science. The advisor of the club is high school teacher Sue Garner.

The Science Club was involved in the planning of the science fair for the fourth, fifth, and sixth grades on March 2nd.

The members received cards of thanks from all who attended the fair. "The best thing about the fair was the different experiments we got to do," said junior April Rayle.

One of the experiments included a pig dissection.

Art Club. Row one: Kristen Straley, Erin Garay, Jennifer McCartney, Brian Gazarek, Mary Julien, Robert Green, Edie Grilliot, Leanne Watkins, Chris Ryan. ## Girls' B-ball Team Has Dream Season

By Mike Lerma

The Lady Tiger basketball team had somewhat of a dream season this year. The team, which consisted of one senior, three juniors, three sophomores and one freshman, had a small amount of experience, but an enormous amount of talent.

At the beginning of the season, the Tigers weren't expected to improve much on their 5-16 record from the previous season, so naturally, everyone was shocked to see them race through the first half of the '92-'93 season with a perfect 10-0 mark.

After battling through the second half of the season, the Tigers carried

a 17-2 record and an M.A.L. first place tie into their final game. The team came up a little short, falling into second place in the league, but their 17-3 record earned them a state ranking of sixth going into the sectional tournament.

Their explosive offense and hands-up defense allowed the varsity girls to advance to districts by defeating Arcadia. They went on to defeat Cardinal Stritch before falling in the district finals to Liberty Center.

The lady Tigers surpassed all expectations and look forward to next season, in which they will be returning almost everyone.

## Freshmen Play With Big Boys

By Rob Green

Athletics at NBHS is an important asset to many students. Athletes excel at some sports when they are a sophomore, junior, or senior. Many do not get to experience varsity action as a freshman, and those who do are an exceptional bunch.

I found out from these freshmen athletes that playing Varsity sports was different from what they anticipated. Many of these kids were disappointed because they were not playing sports with the peers they played with in the past.

Butch Light explains: "Football was OK, but it was bad because I didn't get to play with kids I was used to playing with."

Joe Busch gave about the same response: "I didn't enjoy playing with upperclassmen."

Yet, when we switched to winter sports, things seemed to change for Butch. "Even though I sat the bench, it was awesome sitting with the Nightmares."

Three freshmen varsity wrestlers shared what they thought about being varsity material. Andy Reed stated he found it "boring." Ryan Contreras enjoyed the sport, but they both agreed that they should have won more.

As these young athletes mature in sports, NBHS has a good future to look forward to, and they will find playing more satisfying too.

## Looking Beyond The Record

By Joe Gerdeman

The '92-'93 Fighting Tiger football team finished the season with a very deceptive record of one win and nine losses. A record of 1-9 would lead almost anyone to believe that the team was terrible, but on the contrary, the Tigers almost broke even. Close games against Lakota, Elmwood, Hopewell, and Mohawk cost the team some respect. But these four contests were decided by an average of one touch

down per game.

New coach Jim O'Brien helped the Tigers improve on the '91-'92 squad's 0-10 record. The team was led by junior quarterback Brent Crouse who landed a spot on the All-MAL First Team as a defensive back. Senior running back Adam Wymer earned a spot on the All-MAL Second Team, while Jake Trumbull and Bill Stewart both received honorable mention.

## VB Team Has Fourth Best Season

By Amy Miller

The 1992 volleyball season was the last coached by Glenn Christiansen, who has led the varsity team to a 59-36 record over the last four years. The coach will be taking his skills to the Evergreen court for the '93 season; he has been their guidance counselor since the beginning of the '92-'93 school year. He leaves not a moment too late after coaching the fourth best season in NB volleyball history.

The team finished, disappointing to many, 14-9, but the competition seemed stiffer than it had been in past years. Eight of the nine losses came to teams that were state ranked during the course of the season. Five of those losses were in three-game matches. Yet, the season didn't go without its highlights.

Many agree the win over Miller City was the moment to remember. Beating them put the girls into the finals of the Cory-Rawson Invitational. The match went 3 games and ended with a thrilling 18-16 NB victory. Miller City was 7-1 and ranked 19th in the state at the time of that match.

The team's final win happened at the Sectional Tournament where NB became Sectional Champs for the fourth consecutive year. Their wins over Arcadia and Van Buren put them up against Hardin Northern in the District Tourney where NB lost a close match. This ended Christiansen's four-year tenure with NB, which will keep Coach "C"'s spirit and drive active in their hearts, minds, and spikes!

# Tough Break For Cueball Club

*Jake Trumbull hauls in a pass for a Tiger first down.*

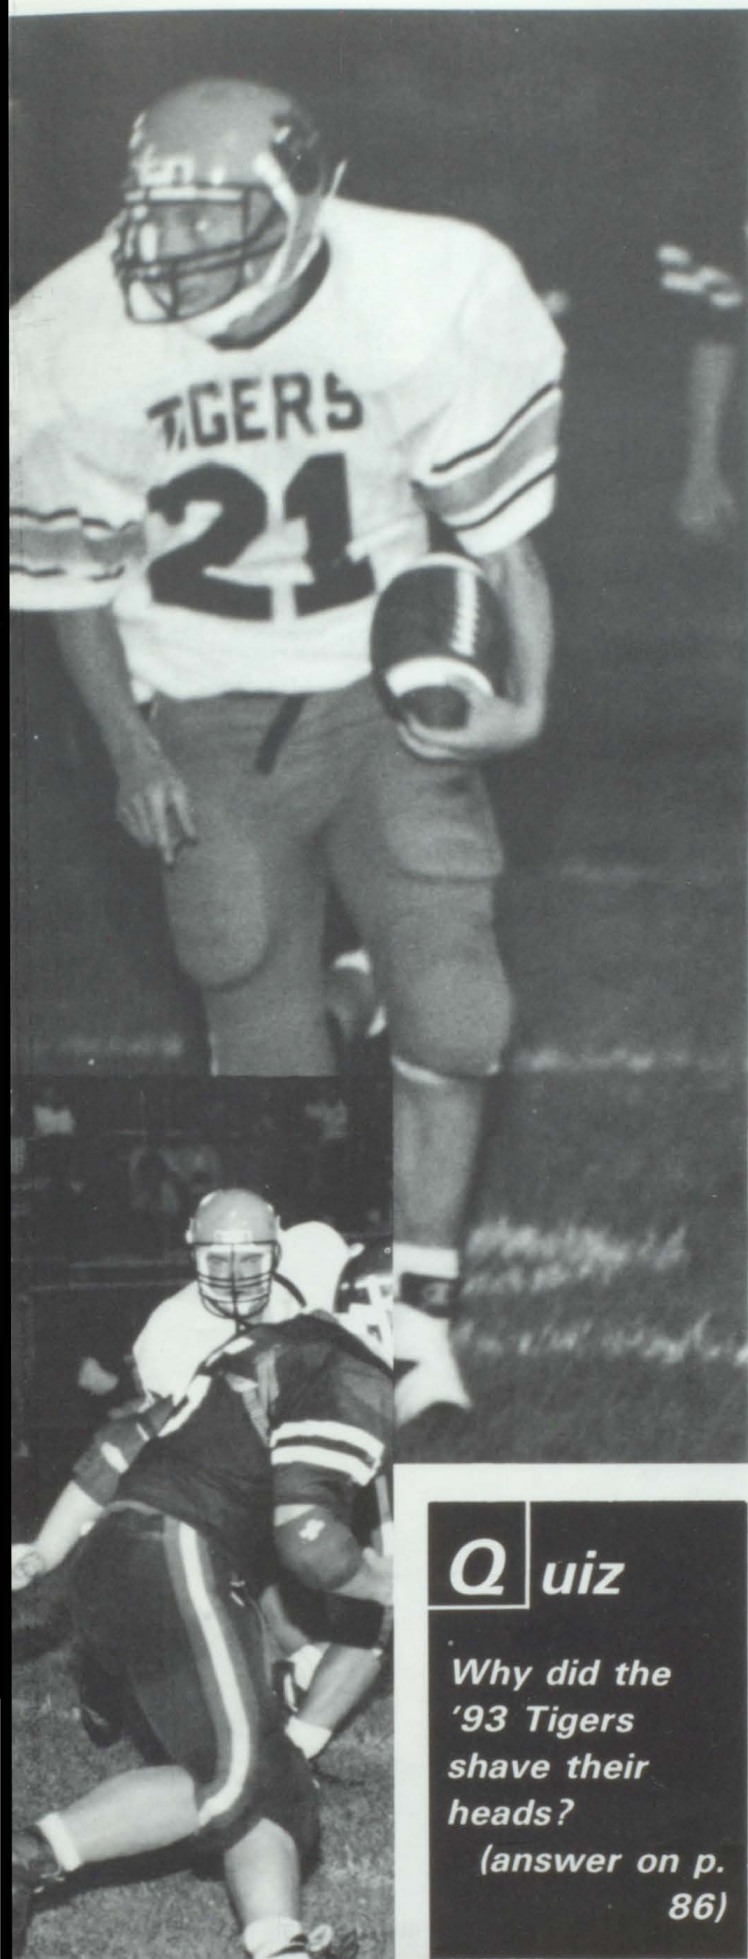

**Fighting Tigers.** Row 1: Mike Sesok, Kirk Pelton, Bill Stewart, Nick Lamb, Adam Wymer, Will McCartney, Jeff McMahan. Row 2: Josh DeAmicis, Gary Reichard, Dan Leal, Andy Meggitt, Jake Trumbull, Steve Rock, Matt Mason, Tony Like. Row 3: Willie Smith, Dan Bear, Eric Heldberg, Nathan Kline, Bob Montgomery, Dwayne Snyder, Matt Holloway, Josh Long. Row 4: Craig Williams, Loren Welch, Ryan Contreras, Brad Smith, Jeremy Sharninghouse, Tim Engard, Butch Light, Kelly Woodruff. Coaches Row 6: Josh Sharninghouse, Mike Zalar, Greg Clark, Jim O'Brien, Rod Warnimont, Larry "Dean-O" Woodruff.

*Bill Stewart (46) homes in on a doomed Lakota running back.*

## Quiz

**Why did the '93 Tigers shave their heads?**

*(answer on p. 86)*

Left: Tiger co-captain Adam Wymer breaks free for a long gainer. Below: Adam Wymer (21) slips around the left side with (12) Brent Crouse's handoff.

"Cueball Clubbers" Nick Lamb, Ryan Baltz, Kirk Pelton, and Gary Reichard get psyched up for tonight's contest.
