

Reflections

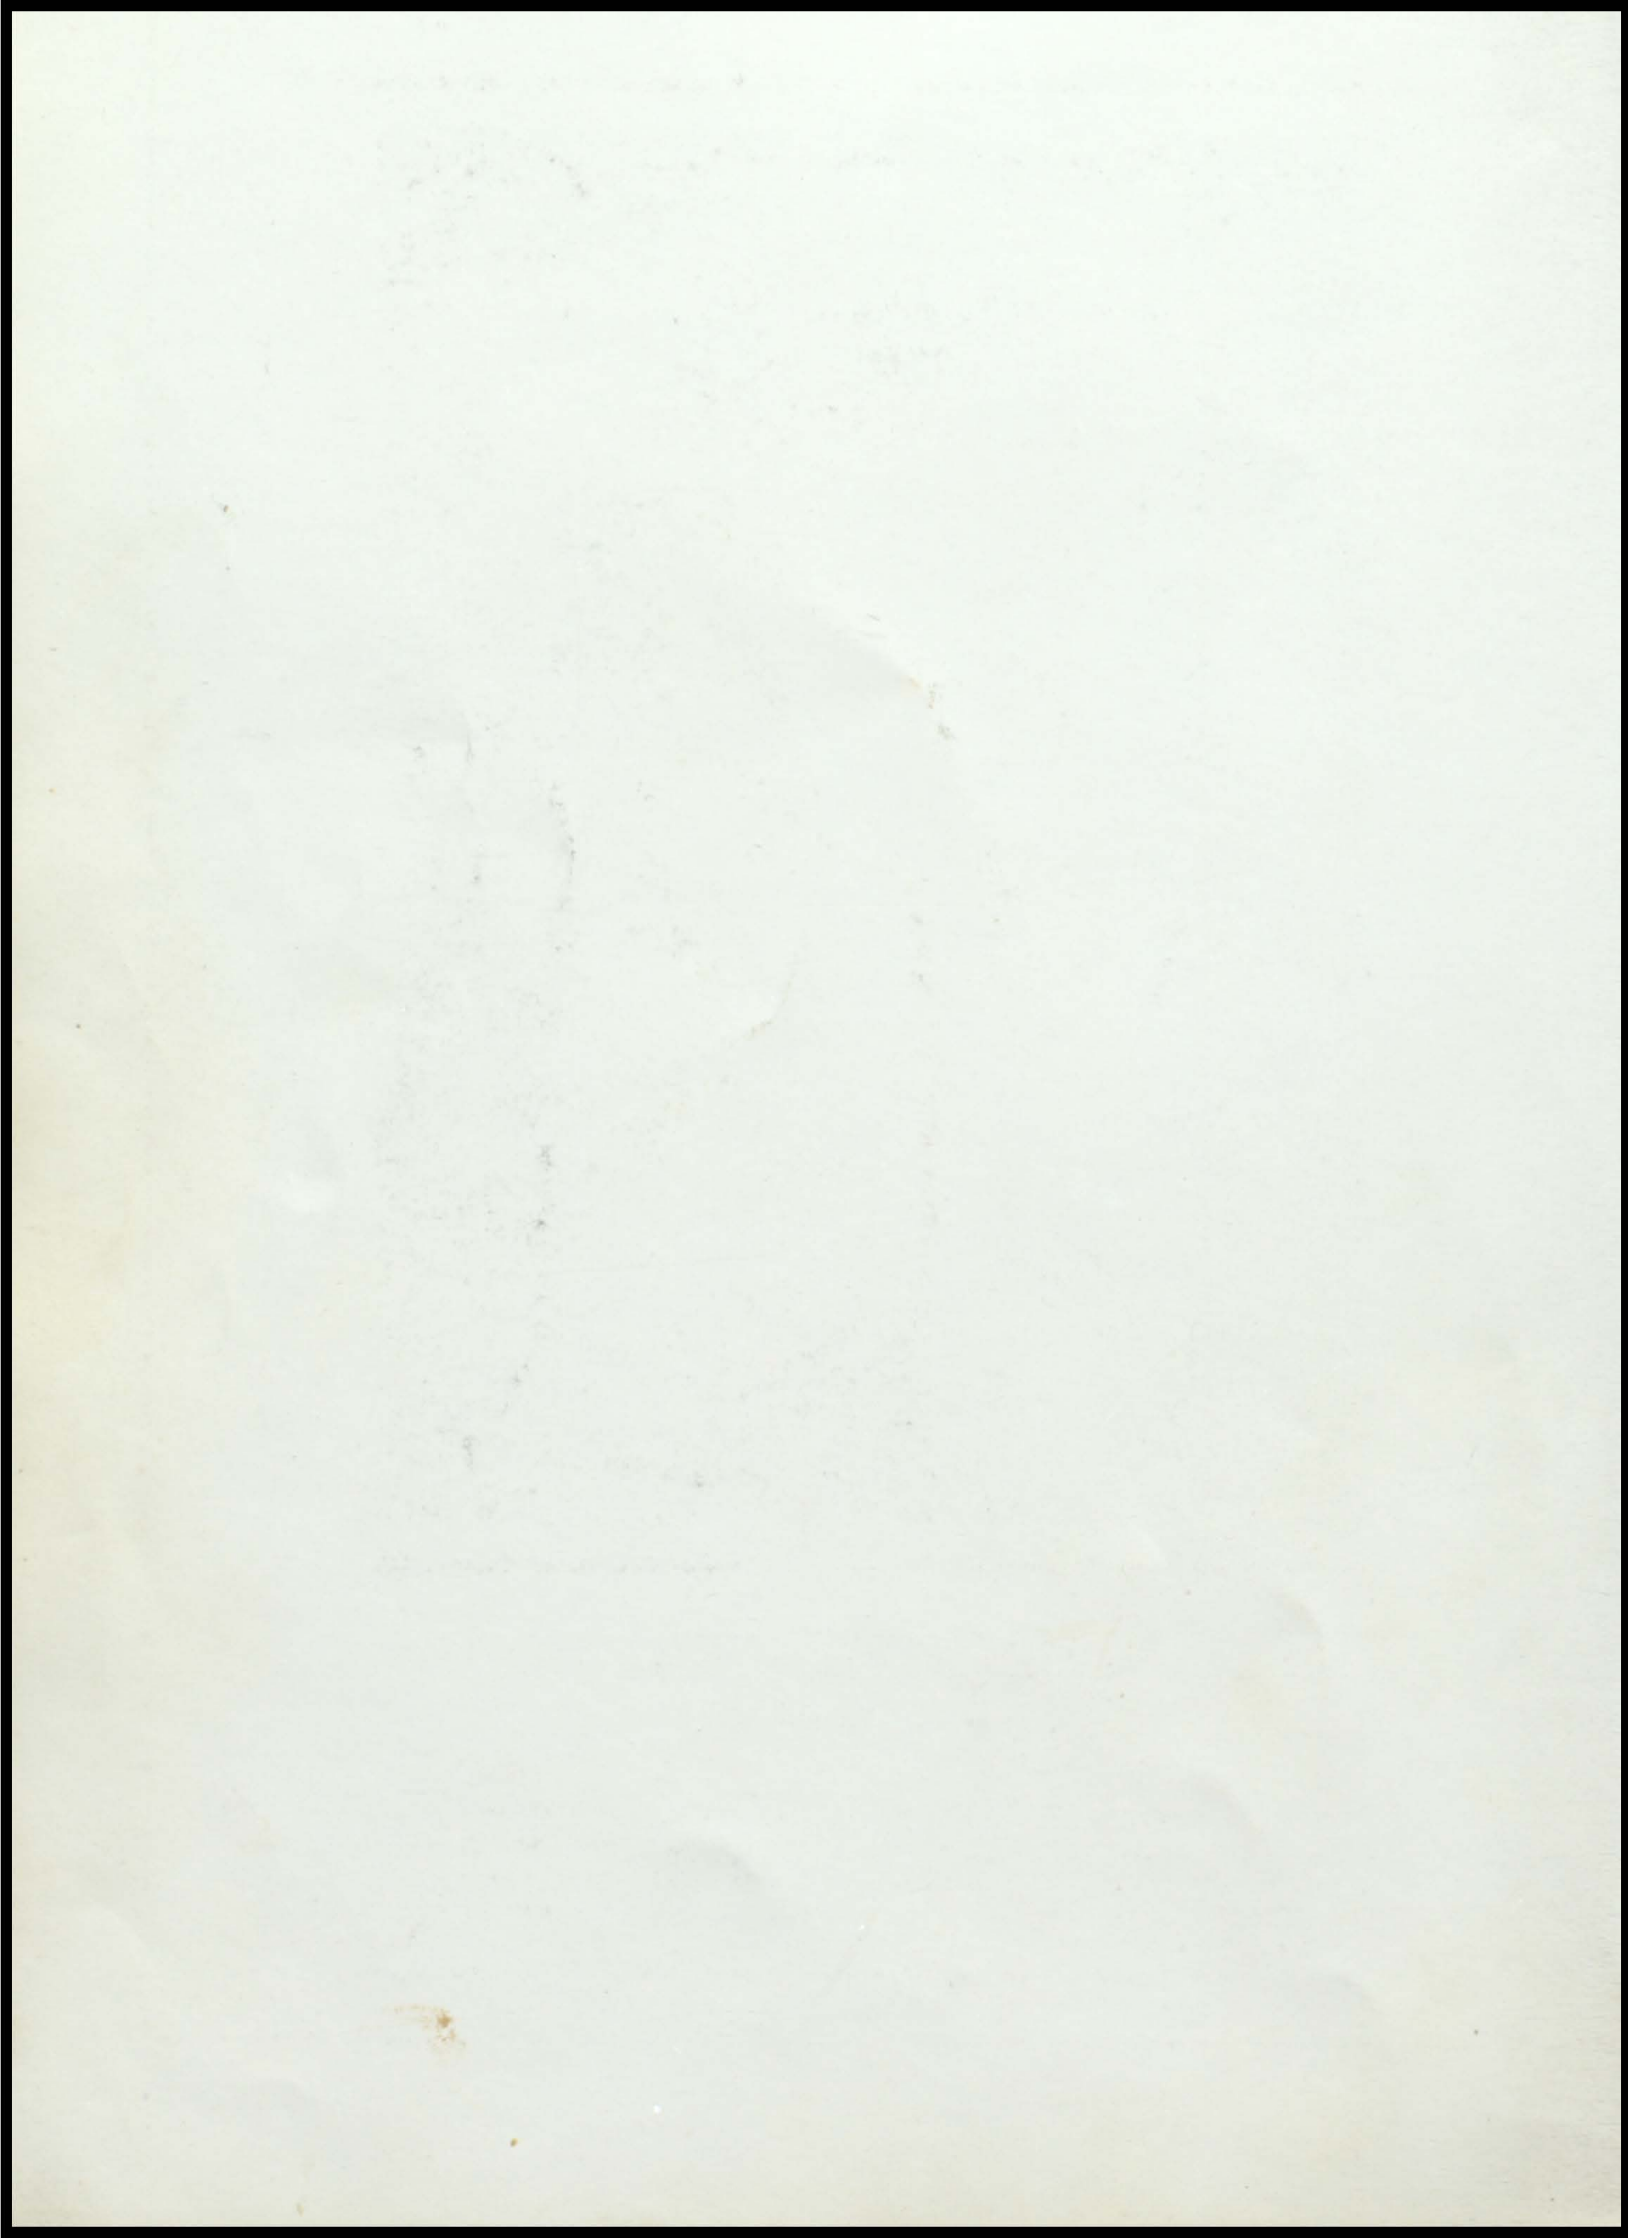

In Time

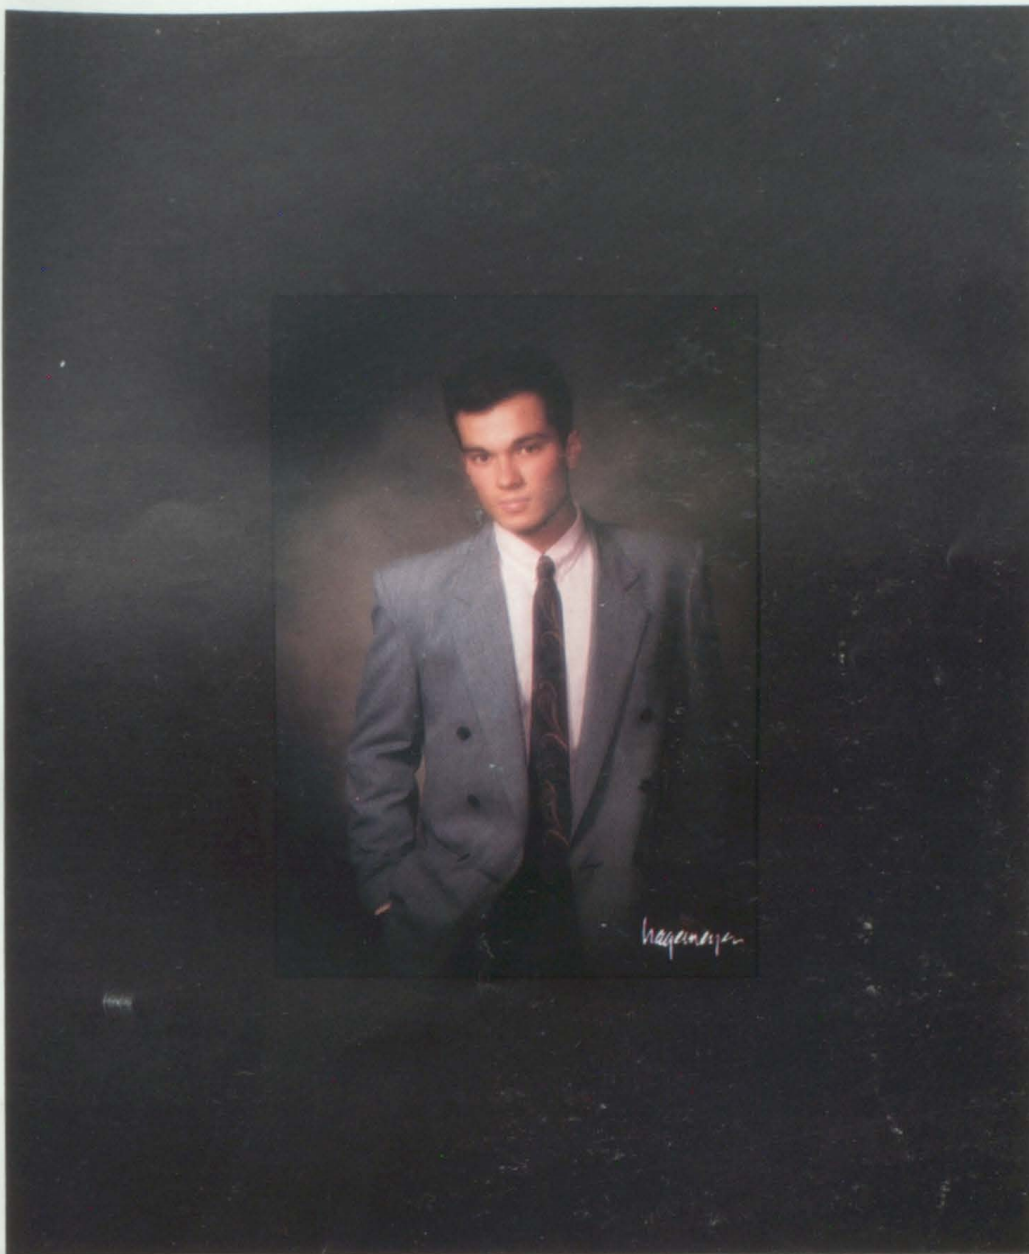

Brant Marshall

Dedication

Jason K. Doering

As time goes by, the memory of Jason K. Doering will forever remain in our hearts and in our minds.

Jason, a former graduate of North Baltimore High School, was an outstanding athlete both on and off the court. He attended Heidelberg College and often came home to encourage young students to excel in basketball.

Overall, Jason was a regular guy with a great personality and a love for basketball. He always wore a smile and was someone whom you could talk with.

With this dedication, we would like to honor Jason Doering. His hard work and dedication is an excellent example for everyone.

Reflections In Time

What does the future hold for us as growing young adults?

A life with much perfection, or a life with many failures?

Will we marry or go to college?

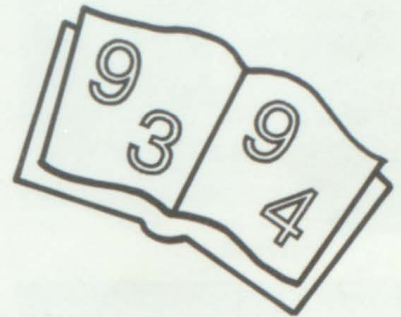

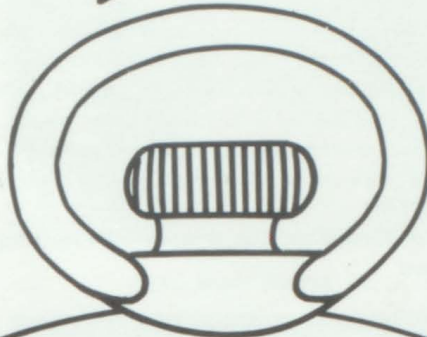

Will we be empty handed or privileged?

Our fate is yet uncertain, but as they pull the curtain, we must stand tall and be proud of who we are.

For we are all a shining star.

As you take your last portrait for this school, you realize graduation is not far away. Your Senior portrait brings happiness and sadness to mind. You think about all the good and bad times you had shared together. You start to wonder if you'll ever see one another again and if you'll ever be able to make it in "the REAL WORLD."

Good Luck to the Class of 1994 and the upcoming Classes!
