CHRIS TIDD

SENIOR

I, Jessi E. Carnicom, being of perfect mind and overworked body, will to my brothers Jeremy and Justin Carnicom the ability to do well in school and to carry on the tradition of bugging Mr. Lang.

I, Tina Overmyer, being of totally stressed mind (Thanks to Mr. Lang) and completely unbalanced body will my spontaneity to Jaime (Jake) Smith and the title of meanest girl in school to Susan Buchanan. Good Luck to you both.

I, Mary Julien, being of absent mind and sensual body, will the ability to skip school and not get caught to my sister Kristen Julien.

Being the last Gerdeman of the 20th century to roam the hallowed halls of N.B.H.S., I, Libby Gerdeman, on behalf of all the Gerdeman family will every last ounce of Irish Love to Mr. Lang, who is really a closet Irishman!

I, Hope Anderson, being of puzzled mind and pleasantly plump body, will to Victor McIntyre the ability to be home before 3 A.M.

I, Thomas J. Ankney, being of a dumb mind and a stout body, give David Ankney the ability to miss as many days of school as I did and get away with it.

I, Dan Bear, being of solid mind and solid body, will to Tim Engard the ability to kick some butt in football and also my great looks.

I, Sam Bowen Jr., wish all the kids in the future the best of luck.

I, Josh Boyer, being of immortal mind and amoral body, will peace and serenity to those who are open-minded enough to accept and enjoy it.

I, Michelle Bretz, being of big mouth with no body to back it, will to Kristen the ability to always have money so she will never have to say "I'm not broke, but I'm badly bent."

I, Mike Clark, being of Einstein like mind, will to Kelly and Butch (The Franksters) my prayer during a basketball game, and to my little brother the ability to throw a high and tight fastball to anyone who looks at him funny.

I, Jim Coykendall, will my ability to get along with my family members to Mr. Lang, who finds it hard to get along with his loving twin brother Jim (Root) Gray.

I, Trevor Current, being of my mind and my body, will the ability to every student and teacher at N.B.H.S. to not judge anyone no matter what race, color, or nationality. "We are the leaves of one branch and the fruits of one tree."

I, Mark DeAmicis, being of demented mind and sexy body, will my ability to graduate to Gary Bretz, he may need it.

I, Teri Eckman, being of experienced mind yet unexperienced body, will the ability to speak his mind yet keep his pride to my brother Wes Eckman, because it never hurts to tell the truth.

I, Joey Fleckner, will my seat on the bus to Heather Phillips.

I, Erin Garay, being of dominate mind and exotic body, will to my sister Elissa Garay the ability to get her natural hair color back before she graduates from high school.

WILLS

I, Matt Gazarek, being of nice haired, superbly dressed, womanless man, will the ability of screwing up a relationship and paying for it for the rest of their life to anyone who *SHVES A GT*.

I, Mike Green, will to Chuck Buder the ability to get away with playing Uno in his Sophomore/Senior year.

I, Jared Greene, being of unsound mind and unsound body, hereby bequeath my grades to Mellissa, she needs a few F's. I bequeath my study habits to Shanda Sterling and my great knees to Kari Clark.

I, Matt Holloway, being of tweaked mind and bulging body, will to Stacey Buchanan the ability to help people in class and have patience in school.

I, Denise Hosler, being of little mind and not so sexy body, will my ability to crash into the school building to anyone who can handle the embarrassment. I also will to Shelley Blausey my ability to stay in band and *LOVE IT!*

I, Amy Marie Jackson, being of alternative mind and skinny body, will my ability to see the bright side to every situation to Lisa Jackson.

I, Kim Kast, being of perverted mind and sexy body, will to my sister Mindy Kast, Donna Lamb, and Misty Patton the ability to do well in school among other things even if they don't really care, and to behave themselves.

I, Stephanie Kreisher, being of an okay body and messed up mind, leave the ability to control her temper to Christy Hutchison, also to anyone who is brave enough to take Christman for 4 years in a row can take over my job of driving her crazy.

I, April D. McEwen, being of wasted mind and unbalanced body, will to my little sister, Bobby, the ability to become more feminine by the end of her Senior year.

I, Bill Smith, being of large and buff body and intelligent mind, will to Brad Smith and Craig Williams the ability to carry on the tradition of *THE ALL NIGHTERS*.

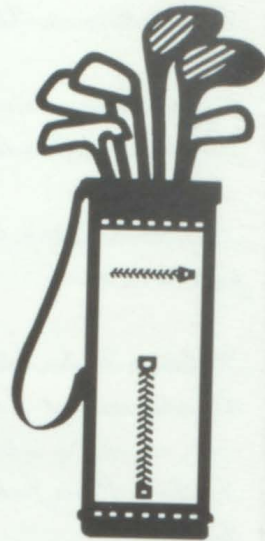

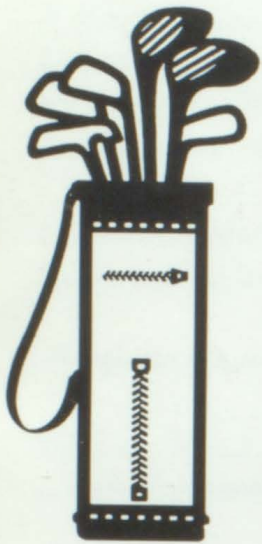

I, Robyn Straley, being of overdeveloped mind and underdeveloped body, will nothing to nobody because they don't deserve what I could give them.

I, Chris Fidd, will the ability to Heather Fidd to give all the teachers a hard time and to get out of school, and the underclassmen to worship the only god Phil Reed.

I, Rhonda Trevino, being of intelligent but distracted mind and one in a million body, will to next years homecoming queen a book on how not to jump into a strange mans car. Also I hope she has a tolerance of bean fields and strong lungs to run many miles.

I, Graig Wymer, being of demented mind and voluptuous body, will to Kristie Logan and David Johnson the ability to go on as many guilt trips as I have and still remain sane.
