The North Baltimore wrestling team came into the season with several strong individuals, but the team had a disappointing 4-6 season.

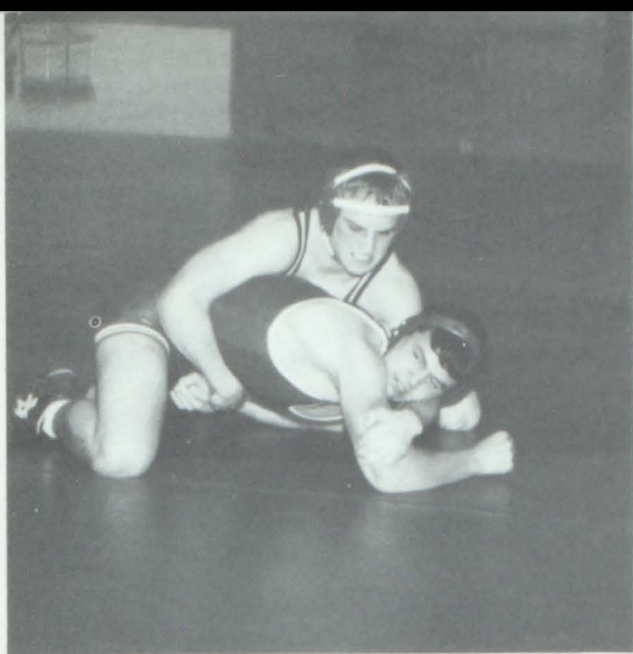

North Baltimore has recently started a youth program. The team is hoping for more people to come out. During the off season, the wrestlers plan to attend camp, tournaments, and lift weights.

Even through this disappointing season, three wrestlers went to districts. Joe Treviño, their 215 pounder, took third place in sectionals. Joe Busch, their 171 pounder, took second place in sectionals. Their 130 pounder, Ryan Contreras, took second place in sectionals also. With all the hard work and dedication, they still lost in districts. With all three of them Juniors, they are sure to have a great and successful season next year!
