# ‘We’ve Got Tonight’ Prom ’96

1996 PROM AT NBHS

written by: Susan Buchanan

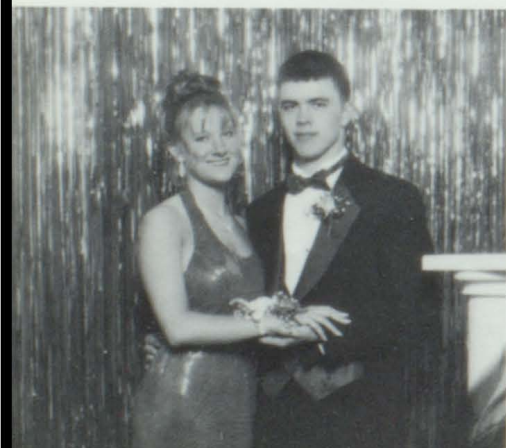

Early morning on April 27, many of the students here at North Baltimore were rushing around preparing themselves for the eventful night planned ahead. Some students were getting hair cuts, and playing a baseball game, while others were tanning, putting on their make-up and making sure everything looked perfect. With prom being in Grand Rapids at Nazareth Hall this year, everyone left early to get their picture taken. The major style in the girls’ dresses this prom season was long silk dresses, while the guys wore the usual cumberbun and tie. Supper began around 7:00 p.m. with the choice of Chicken Marsala or sliced Roast Sirloin of Beef in Au Jus. The Junior’s theme song this year was “We’ve got tonight” by John Segar. The hall was decorated in the Senior class colors, forest green and black. Around 12:00 midnight, everyone started to arrive at Bowling Green Varsity Lanes to challenge their friends and dates to a game of bowling. For many of the Seniors, times like these are cutting short, so they are taking the time to enjoy them with their friends. Best of all, everyone arrived home safely that night and the next morning.

Joe Bob starts of Prom '96 in a blast!

These gals are having the time of their lives.

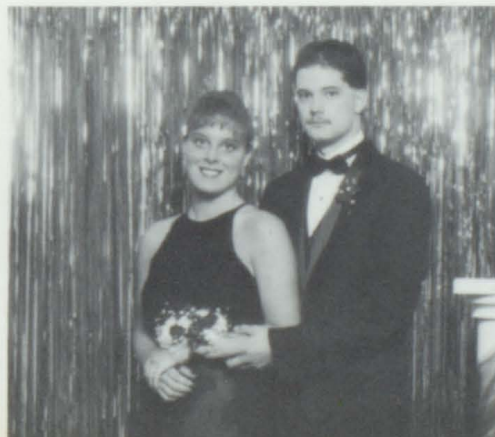

Elissa and Brad dance the night away.

Carrie and John are relaxing and having some fun.

Kelly, Charity, and Shanda bust the moves!

These Senior ladies pose for this memorable moment.

These macho men are sure looking good!
