#21

Senior Wills

I, Greg Allison, being of a great body and a harmless mind, will to Neil Casey and Aaron Heyman to carry on the tradition of the "birds".

I, Joe Baltz, being of strong mind and contoured body, will to all the golfers to overcome the Football players and take the Homecoming King position.

I, Adam Boes, being of heavy metal mind and chicken-legged body will to Jill Zeltner the strength and ability the make it through one more year in this place!!

I, Rebecca Marie Bourser, in case of my unfortunate death after leaving the jail formerly known to me as high school, leave to Mindy Dukes two more years of stalking new kids.

I, Rachel Marie Bryar, over-worked mind and under-worked body, will to Brandon Conine, Joshua Bryar, Charles Bryar, and Michael Bryar, the ability to overcome all obstacles you're faced with and to be yourself no matter what your classmates think.

I, Justin Carnicom, being of unstable mind and Fabio-like body, will to Matt Chapman the power to be as popular with the ladies as I was.

I, Chris Carrier, being the Sexy person that I am, will to Mindy Dukes the dream of being as sexy as me.

I, Abigail Decker, being of sadistic and satanic mind, leave my aura of laughter and psychoticness to anyone who can handle it. I also leave to Cole Rush the ability to gain more than being a permanent JGA slave, and last to my cousins Christopher and Sabrina, the prayer of getting through high school without being humiliated by my favorite Janitor, Uncle Larry.

I, Amanda Leigh DeVaul, being of over-worked mind and skinny-franken-ankled body will to Brigitte Thomas to never get caught doing business in the junior high hallway after school and to my little brother Matthew the ability to enjoy junior high and high school because it goes by fast.

I, Heather Deuvulf, being of flaky mind and skinny body, will to my little sister Jessie Deuvulf and cousin Ashley Kean the ability to achieve any goals you may have in life and have fun your senior year because it goes by too fast.

I, Tony Deitelbach, will to Andy and Aaron Leonard and Isiah Patterson to have fun and get into as much trouble as possible.

I, Kim Hemminger, being of sarcastic mind and "free" body, will to Rani Kuhlman and Holly Simon the ability to keep up the tradition of "ghost hunting" after Volleyball games. And to Jillian Torres, say no more!

I, Robbie Hopkins, will to my oldest sister my Godsmack CD and all my Pooch posters. To my other sister, anything of mine she wants.

I, Big Joe, will to my brother Aaron the ability to excell in academic achievement and to my brother Andrew the ability to have a prosperous senior Football season without breaking a limb.

I, Misty Markel, being of crazy mind and spiritual body, will to my younger sister Wendy the ability to not let guys stand in your way.

I, Erica Martin, being of psycho mind and small body, will to my friends Jennifer and Tasha Krebs to fight with anyone they want and not get into trouble for it for the rest of their high school years.

I, Ashley Miklovic, being of perverse mind and body, will to Dan Wilkinson the honor of torturing the new occupant of locker #274. To Jeremy, Justin, Katie and Kristi: I will to you the ability to make your own choices and follow your dreams. Enjoy high school it's over before you know it!

I, Rick Morris, being of great mind and wide body, will to Mike Spangenberg and Neil Casey the ability to be the biggest jerks in the school.

I, Will Patterson, being of unique mind and sculpted body, will to Alan Davis the ability to keep the school alive with humor and the ability to have more than one girlfriend at one time.

I, Nate Rice, of great mind and athletic body, will to Neil Casey and Mike Spangenberg the ability to pick on the BC, DFG, and butt pirate.

I, Rachel Ruiz, being of confusd mind and confusing body, will to Angie, James, and Chapman my ability to be burnt out as can be and still maintain an A average.

I, Kyle Schivab, being of sound mind and buff body, will my keen ability of "white lies" and procrastination to Windy Dukes and also will the ability to "finger it the right way" to the trumpet section.

I, Chrystal Shamp, being of artistic mind and Judo-type body, will to all the remaining kevl teachers ('specially Coppock) the ability to continue teaching **YOUR WAY**, no matter how much it makes the "Administration" angry.

I, Josh Sharninghouse, will to Matt Chapman the ability to make it through this school that sucks.

I, Rayanna M. Simon, of not so great body and not half there mind, will to Ashley McMahan and Angie Tellez to miss as much school, party and still graduate.

I, Brent Smith, of perfect mind and body will to the football team not to be wimps like the golfers.

I, Erica Stone, being of pleasantly plump body and not all there mind will to Ashley Mills the ability to not care what others think and say and to always be the bigger person in rough times.

I, Jennifer Weaver, of not so perfect body and stressed-out mind, will to my brother and sister Jodie and Steven Weaver to stand up for themselves and don't let anybody run you over.

I, Todd Williams, of hazed mind and buff body will to Mike Spangenburg the ability to tick off as many teachers as he can.
