

The background of the entire page is a close-up, slightly blurred image of the American flag. The blue field with white stars is prominent in the upper half, while the red and white stripes are visible in the lower half. The stars are five-pointed and appear to be embroidered or printed on the fabric.

# Senior Wills

I, Tasha Krebs, will to all the underclassmen this bit of insight: school isn't really too bad. Live it up! You'll learn how good it is when you're a senior.

I, Justin Hunt, am of slightly altered mental state (the voices again), and I hereby will the voices in my head, the right to continue costume days, and the right to be 100% eccentric to Kenny Uhlenhake. To David Fryling I would like to say, someday your dignity and fine sensibilities will be the end of us. To Quinten Murphy, I hereby will the right to be the scary kid in the corner, and I would also like to say, hi-hay, Big Q.

I, Emily Yeary, being of ghetto booty body and over-analyzing mind, will to my little man, Arty Patterson, to appear sweet and innocent and to never get caught. To Liz McCurdy, to take over "my" choir next year. To Stephanie Cramer, go with your instinct and never give up. And my sis, Betsy (who's no longer here) to push yourself a little farther each day.

I, Corey Wallis, being of fried mind and sexy body, will to David W. and Jeff V. the power of the hackey sack circle & to stay out of the rafters.

I, April Hosler, of sound mind, will to my younger brother and sister to work hard because I know that you can do it. And to Willie Bowen, to work hard and do not let your brothers drive you crazy. And also to my baby, to stay healthy and be strong.

I, Mrs. Deitrick, will to my children the ability to do everything that you've ever dreamed of. And to Mr Clark, I will the ability to develop a conscience.

I, Rani Kuhlman, being of exquisite mind and bootylicious body, will to my sister Manali everything because that's what she means to me.

I, Jonathan King, of intelligent mind, and chiseled body, will to my little sister Jane to keep the tradition of greatness going and to John Casey to stay segmented.

I, Joseph Solomon Kirchner, of brilliant mind and skills, will to Bubba Kirchner and Josey Woodruff great football skills and genius minds.

I, Melanie Lynn Paul, of nonexistent mind and Babylike body, will to all my girls my patience to deal with certain people (not mentioning any names).

I, Matt Pulley, being of Drew Carrey like mind and furby like body, will to Mr. Lyon the ability to properly make the chewey noise. Pass on the chewey.

I, Cole Rush, being of sound mind and perfect body, will to my fellow saxophone players to play loud and cover up the missing seniors, and to Dustin Schloemp and Andrew Linquest, I give you my IGA slavery.

I, Melissa Elder, being of confused and lovesick mind and over expensive clothed body, will to outlandish sister Danyel to "flip out in a minute" on Richie Diamond. And to will to Jackie to get through high school in a mature fashion.

I, Ryan Glamm, will to Dustin Schloemp to keep on "regulating" and to Brandon Carver to keep up the PTK. and to my little sister something nice.

I, Katie Miklovic, being of an intellectual mind and Victoria's Secret like body will to Adam and little Benny the determination to succeed in what ever you do. To Brook Thomas the desire to dominate the volleyball court. To "The Girls", don't let the police catch you driving around with no shirts!!

I, Chris Wyble, will to the junior class to keep up the "bring your mobster to work" days, and to my sister Jackie the right to be lazy her senior year, other then that the rest of you don't deserve my ultimate blessing.

I, Holly Shamp, of athletic body and blonde-like mind will to Jessica Shamp and Ashlynn Delong to speak their minds whenever they please and to enjoy high school to its fullest.

I, Justin Cramer, of an Al Bundy type mind and shy yet masculine body, will to Brandon Carver and Drew Simon my chest/ nipple hair, because they were always jealous and to William Kytte to keep being the "Pimp" he is in track.

I, Niki Haynes, being of mischevious mind and petite casper-like body, will to Liz McCurdy what will now be the quiet table at lunch, to my brother James, the enjoyment of finally finding the photoshop cd, and to Eric Hutchison the ability to take the stairs two at a time.

I, Jaymie Wickard of my very smart intelligent and busty super-model size 2 body, will to the under classmen my "coolness," to right on.

I, Mindy Dukes, being of evil genius mind and goddess-like body, will to Lista, Jenny, and the rest of the flute section the ability to play, "Broken Music", and to Liz, Mykol, and David, the ability to be "big thespians". To Gabe the ability to be eligible for Football and wrestling. And to my sister Brittany the ability to be anything she wants to be and not to care what others say.

I John Credicott, will to Drew Simon my shop class skills because he definitely needs them, and to Darrel, Dustin and Brandon I will whatever you want.

I, Nate Krassow, of Goofy mind and Athletic body, will to Ty ler & Kelli to get far away from North Baltimore as possible.

I, Dave Tellez, being of Einstein-like mind and Fabio-like body will to Mark Isenberg to stay the loudest and most conceited throughout high school and to finally get Jaymie Z.

I, Stephanie Sweet of tedious mind and Skittle-type body will to my brother, Kevin Sweet, the will to succeed and hate some people as much as me. To Lauren and Autumn I will the ability to be obnoxious as much as me!

I, Joshua Chance Houck, of skater-like mind and truffle-shuffle-like body, will to Mark Isenberg and Derrick Beltz the ability to wear aviator sunglasses.

I, Jodie Weaver of open mind and quiet voice, will to my brothers Steven & Spencer the following advice: You are both so smart, try your best, and never give up. Also, to my "underclassmen" friends, you guys are awesome. I will miss you. When you're a senior, treat others as you would want to be treated. And to my mom, you have been my best friend my whole life. I love you.

I, David Yeager will shattered dreams and broken lives to the people who broke into my car. I will to Lindsay Zeigler the right to finally drive my car. And to Mr. Clark, I will a power washer to clean all of the eggs off of his house.

I, Patrick Powell, leave to Kenny the right to play louder, covering for the two saxes who are leaving. As far as Drew and the other throwers, I can't offer enough help for them :) And I encourage everyone to become a little more light-hearted and sarcastic. Taking everything as it is gets old very, very fast. YVAN EHT NIOJ!

I, Tiffany Grose, being of not-so-sound mind, will all of my nap time to Mr. David Lee.

I, Mike Spangenberg, being of sound mind and hard body, will to Josey Woodruff the ability to do whatever he wants in school and have my amazing influence over people.

*Most Conceited:*  
DAVID TELLEZ & HOLLY SHAMP

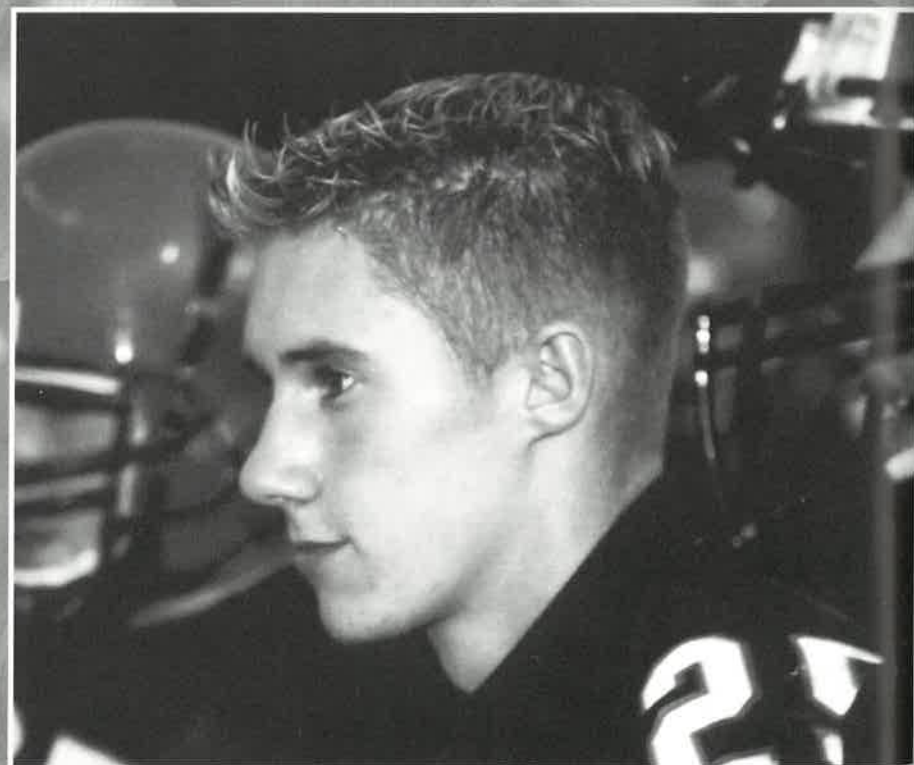

*Best Laugh:*  
CHRIS WYBLE & RANI KUHLMAN

*Loudest:*  
COREY WALLIS & MELISSA ELDER

## Ten years from now...

### Seniors predict the future

Jodie Weaver: In ten years I hope to be married, or at least engaged, and starting my career as a psychologist.

Stephanie Sweet: I'll be an Owens grad. finally, with a degree in nursing. I'll marry a handicapped patient so I know he can't run away from me.

Patrick Powell: A lot can happen in ten years. Well, I'll be out of college, employed in whatever field I go into. I hope to have a decent-paying job and a nice car, but who knows. I won't be in North Baltimore though, I know that much.

Josh Houck: In ten years I will be a photographer for *Transworld Skateboarding* magazine. I will also be filming for the newest Baker Skateboards video. I will also have a punk band with Josh Simmons and others called "The Fuglies".

Dave Tellez: I will be relaxing away from North Baltimore on a nice beach with many beautiful girls--I mean women.

Nate Krassow: In ten years I see myself owning my own business and married.

John Credicott: No Clue!

Mindy Dukes: In ten years I will be the new owner of Pisanello's pizza, still working with Ben, Randy, and Roscoe, living with Lista & Jenny in the "bachelorette pad".

Matt Pulley: I will be a forensic scientist in either Cleveland or Chicago.

Cole Rush: I plan on going to B.G.S.U. where I will major in...I have no clue. I will probably be the owner of Robert's I.G.A. in North Baltimore so I can spread my I.G.A. slavery on to others.

Melanie Paul: Happily married to a hottie, but self-sufficient. Living the the life in my beautiful mansion and driving a silver Mercedes.

Joey Kirchner: I predict in ten years that I will be a psychologist with a practice somewhere away from Ohio. That or a behavioral science job somewhere.

Jon King: In ten years I would like to have my law degree, live in a big city, and work for a big company as a corporate lawyer. Maybe a wife and kids.

Rani Kuhlman: Being a stripper with Ryan Glamm at Stephanie Sweet's bar.

Tasha Krebs: I plan to have already graduated from college, working at my job, and be married with one child.

Niki Haynes: In ten years I will have a very successful job and a small family, but still working on the side at the I.G.A. under the ownership of Cole Rush.

Emily Yeary: I'll finally be related to Amber King, but still stalking my Banjo.

April Hosler: I think that in ten years I will be living a good life and making good money.

Jaymie Wickard: Cruising around in my 2013 Mustang with my "Guard".

Justin Hunt: I'll be a preacher.

Melissa Elder: Dating six guys, married to Alan, divorced from the cowboy, a college drop-out with six kids that have six different last names.

Ryan Glamm: In ten years I will be living in Wisconsin, running a successful bratwurst and ice cream business with my wife and two children.

Katie Miklovic: I will be a wealthy, have my master's degree, making web pages for huge companies from my home. Along with chasing my red-headed devil children around with a wooden spoon.

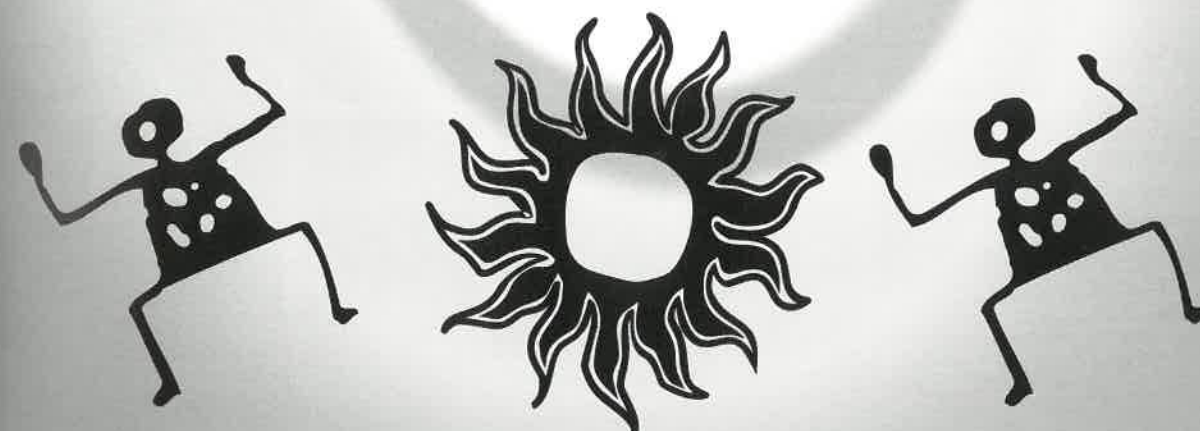

Chris Wyble: In ten years I'll be a college graduate with a job in computer animation.

Holly Shamp: In ten years I will be an R.N., working at Blakely's Care Center, changing diapers on Mr. Clark and also taking care of my four blonde, curly-haired Harley-ridin', leather-wearing kids.

Corey Wallis: I'm either going to be writing for *National Geographic* or living in a box in Key West or a cave in Jamaica.

Tiffany Grose: Four years of college (majoring in psychology/criminal law), and after I graduate, I hope to be gainfully employed as a juvenile probation officer.

Mike Spangenberg: Living in my own mansion, spending my millions designing my own private golf course.
