Senior Wills

- I, Ashley Marie Simon, being of creatively burnt out mind and bewitching pleasure-enriched goddesslike body, will to those deserving... Brendan and Dave to complain their way out of suspension and to always have fun no matter what. To Kerri the ability to always see the dolphins move. Danle, to me you will always be the Fire Goddess, the Red Fruit Loop, but most of all one of my best friends, and I'm sure you don't care but I'm sorry, I never meant to hurt you. To Stephanie you are beautiful inside and out and always remember the "bag". And to Megan monosyllabic is a one syllable word. I love you guys.
- I, Kerri Ann Kirby, being of open mind and quintessentially wicked body, will to the students to love and believe in themselves no matter what teachers tell them and to Dave to carry on where we left off.
- I, Danielle C. Wienzkowski, being of intellectual mind and magnetic body, will to my brother Dave to take Kerri's and my place as the school rebels, and to Lisa to remember her dreams and to the students of North Baltimore High School to not let teachers get away with starting rumors about them. And to Megan... be like the wind.
- I, Megan Leigh Gonyer, being of misplaced mind and uncoordinated body will to Lisa Houck to get what she wants from life and to never take things lying down LOL
- I, Stephanie Mills, being of self-conscious mind and towering bodacious body will to my brother Sean to do his homework and be able to get up in the morning and not be late for school and to always be there when I need someone to talk to. And to Steven to not let anyone stand in his way especially little punks that don't have enough guts to fight their own battles and come up with some lame excuse about the whole situation...LOSERS!
- I, Heather Renae Burk, of over-worked mind and beautifully curved body, will to Jamie Burk to always have fun no matter what.
- I, Troy Michael Bateson, being of musical mind and very studly body will to my little brother Cory to be able to put up with other people's stupidity and still have fun.
- I, Angelica Marie Henry, being of sane mind and body, will to Jennifer Ramsey, the ability to keep her friends apart and to my sister Lizzy the ability to keep dealing with immature guys.
- I, Holly Emañiser, being of fun, outgoing mind and curves in all the wrong places body will my pride, respect, and opinionated attitude to Adam, Parker, and Ricci Emañiser. I'll back you all the way so have fun and don't give mom and dad too many problems.
- I, Elizabeth Anne McCurdy, of thespian mind and pintype body, will to Mike, Libby, and David to be great thespians. I will to my brother Jason to turn in his homework on time, and to my brother Travis, I will, great musical talent.
- I, Andrew Lindquist, of ultra-genious mind and of a body under construction hereby will to Mike Phillips my artistic ability even though he has too much. I also hereby will anyone the right ot use "big" words.
- I, Kevin Longnecker, being of careless mind and model like body, could "care less" what to will to you people.
- I, Brandon Carver, of twisted like mind and runner like body, will to my sister whatever she wants, and to my brother to keep the P.T.K. Alive. And Johnny T and Mason, to get some ritalin.

I, Erica Spence, being of fun-loving and preciously pierced body will my determination and pride to my cousin Stacey Rock to never stop fighting for himself because in the end she'll find out who her true friends are.

I, Erika Barringer, will the Banger tradition on to my little sister Keesha and to Elessa Castillo to always remember the summer of 2001.

I, Nick Stahl, being of mechanical mind and simple body, will to Alan Davis the ability to be the "veta" of Mr. Weber's class, and to Artie Patterson the ability to remember where he is from.

I, Brooke Thomas, being of twig-like body and laid back mind will to Autumn Smith to keep the itty bitty club rollin', and to my baby sister Brandy to live her life and have fun, but don't sell yourself short.

I, Trisha Wymer, being of confused mind and a Barbie Doll-like body will to Jessi Zeigler to not let anyone use her as a punching bag...except me.

I, Amanda Burwell, of stubborn mind and luscious body will the following: To Farmer, good quality lunch conversations; Ms. Wronchy, "Peachy"; Kristi Walter, a six pack; Mrs. Coppock, chocolate, and to all the underclassmen, the ability to always be tardy and never attend the full 180 days of school.

I, Lindsay Ziegler, being of spaced mind and voluptuous body, give Amey Crutcher the will power to always be the pink Power Ranger, and to Paige and Noah, to get everything you want out of life, and never let anyone push you around.

I, Jane King, of confused mind and well-developed body, will to Jessi Zeigler my position as leader of the "Monster Club" and to Elessa Castillo the strength to do what she believes in.

I, Crystal Mae Henry, being of intelligent mind and wholesome body, will to David Fryling, Michael Phillips, and Libby Julien, the ability to be the greatest thespians this school has ever seen, and to my baby sister Elizabeth and best friend Stacy Rock, I will the ability to twirl better than anyone in North Baltimore.

I, Victoria Ann Marine, being of dirty mind and full-figured body, will to my sister Trisha the power to sing on top of the lunch tables and also to my brother Randy my open mind and love of life. And to everyone else, ALWAYS USE PROTECTION!

I, Manali Kuhlman, being of Blown Mind and Blow Your Mind Body, will to Kristen (lil sis) Huffman and Kristi Walter the ability to be the biggest flirts and to have as crazy a time as I did in high school. I love you girlies!

I, Delneta Eaken will to Elessa Castillo and Douglas Auchmuty the ability to be able to put up with as much crap as they have to.

I, Darrell Edens, Jr. being of lost mind and of an 80 year olds body, hereby will to my sister, Judith Edens, the ability to survive through the tough times and to have and do everything I didn't. And to all of the non-believers out there, I will, coal in your stockings; keep X-Mas alive by keepin' it krunk. To Monica, my baby girl, have fun, and don't get into too much trouble.

I will, I will, I will, I will

Seniors attending the Service

Over the Years

By Deepak Mitra and Helen Hoyt

These last four years that we've been through
So much has happened, we're long overdue
To go back and take a very good look
And flip through the pages of our old yearbooks

On that first big day: Freshman Registration
We found all our books, moving station to station
Feeling nervous, apprehensive, and so out of place
We met our new classmates, at last face to face

As underclassmen we were restricted as to
The places we went and the things we could do
But as we got older we found something new
We discovered ourselves and adopted fresh views

As upperclassmen we began driving to school
We received more privileges; we bent the rules
We did homework in groups and studied together
And slept through classes that dragged on forever

Our senior year began with college applications
Our favorite days in gym were bus evacuations
As a class we developed a unique Senior Style
Playing sports, joining clubs, and studying all the while

As mentors we helped the freshmen adjust
To a new lifestyle and gave them someone to trust
Now leaving them behind, we hope to stay in touch
Throughout a lifetime that will change so much

The time has come to go our separate ways
As life stretches out before us like a maze
The future is out there, beyond our small scope
While the years to come shine brightly with hope

Let's Gooooo,
TIGERS!!!

NORTH BALTIMORE—North Baltimore starts the 2002 season on a high. The North Baltimore Tigers headed into a new season with a winning streak for the first time since 1996.

"It felt good because now they're going into a new season with a winning streak rather than a losing streak," stated Coach Kloefer early in the season. They wiped away all the losses in the league with that win and now it's a clean slate for them.

The Tigers ended up 1-9 overall and 1-6 in the Midland Athletic League but they became much more competitive as the season wore on. The strength of their team was their offensive line. "They have worked very hard in the weight room and they are much, much stronger," stated Tony Mulholland, assistant coach.

Senior John Casey (5-4,140), who saw some action at quarterback last season, and junior Josey Woodruff will shoulder most of the rushing duties.

The offensive line and runningbacks had to play well early in the season until North Baltimore's starting quarterback, Freshman Josh Eichar(6-1,170), got the feel for his position. With just eleven upperclassmen on a thirty-one player roster, injuries were something they avoided to be successful.

The Tigers closed the 2002 campaign by manhandling Fremont St. Joseph 26-7. Coach Kloefer wants all eligible young men to come out for the team to build on the next season.

North Baltimore Football players are breaking before starting a game.

Well, this ain't over.

No, not here." Push- Matchbox 20
