SENIOR WILLS

- I, **Heather Apple**, being of stubborn mind and fulfilled body, will to my little brother Aron, my hooptie car and good grades.
- I, **Lauren Bucher**, being of fun mind, and skinny body, will to my sisters Kristan and Aryn and to my other sister Libby the ability to do whatever you want in life. Enjoy high school because it goes by so fast. Never underestimate what you can do. I'll always be there for you.
- I, **Tara Cameron**, in 5 years will still be living in North Baltimore with my parents and my son "Mr. Bobble Head," operating a Retro Gourmet Kool-Aid stand, and having yard sales every weekend. I will also be appearing on a food channel teaching others how to operate a kool-aid stand, and Brad will still be working at Petro.
- I, **Erica Carver**, being of an adventuress mind and woah like body, will to my brother Justin, to be the best in everything he does and to be more like me. To Brandy for all of our fun weekends and many more to come and to everyone else to be yourselves and don't change just because someone wants you to.
- I, **Elessa Castillo**, being of dazed mind, will to Marissa to cherish high school because once you're 18 theres no going back. To everyone else- No sex is safe sex. Choose wisely or you'll end up just another NB Teen Parent.
- I, **Amanda Chaffin**, being of big sister mind, want to let my brothers know that i'll be there for them and good luck with sports and academics. Also to Cynthia, good luck with the rest of your high school career, thanks for being there.
- I, **Dan Christensen**, being of stubborn, bull-headed mind, will to all brainwashed students the courage to stand-up for what you believe. Don't be afraid to express your opinions. If you want to be heard in this world you need to shout. To my cousin Jacob, the Christensen reputation to live on for yet another generation.
- I, **Samantha Clayton**, being of Dr. Dolittle mind, will to Renee Sheeks to have the best 2 years of high school at Penta. My brother Charlie for always telling me to be myself and not to care what others say. My mom for being my rock this summer. I Love You!
- I, **Stephanie Cramer**, being of spontaneous "clueless" personality, will to my little brother and sister, and to Jesse to be successful and try to be the best in everything. Don't let people tell you, you can't. I have faith in you, and I Love You. Don't be stupid.
- I, **Brandon Davidson**, being of unused mind, hope that all you underclassman have fun while you can, and enjoy being a kid while your still in school.
- I, **Jessica Dewulf**, being of confused mind and skinny body, will to my cousin Shaie Keaton and to Libby and Sarah S. to have fun during high school because it goes by to fast. And good luck in whatever you decide to do.

- I, **Jacob Ford**, being of sound mind and athletic body, will my positive attitude and ability to shoot "the three" on the basketball court to Eric Hutchison and anyone else who cares to step up to the challenge.
- I, **Amy Holvey**, being of outspoken mind and unspoken body, will my tardyness to my lil' cousin Jamie, leven though we live the closest then most in the school.) and to always keep the "cocky" family tradition going!
- I, **Tamera Hosley**, being of full body and selective mind, will the right to all the girls not to take any crap from the upperclassman whom think they are better than you. And to Elizabeth Gilles to make the best of her last 2 years without me.
