SLEEPY HOLLOW

The fun-loving Sleepy Hollow Boys, Corey Povenmire, Drew DeWulf, and J.T. Sharninghouse, stand by and watch the crazy Brom Bones try to woo Katrina.

The entire cast was proud to present a wonderful and exciting production of Sleepy Hollow.

Michael Phillips as Ichabod Crane

Michael Phillips is the senior that portrayed Ichabod Crane. His most memorable moment on stage was when Mr. Johnson fell off of the giant horse that was used for the headless horseman.

Libby Julien as Katrina Van Tassel

Libby Julien played Katrina Van Tassel in this performance. She most remembers the fact that this year was Mike Phillips and David Fryling's last year that she was going to be able to perform with them at N.B.H.S.

David Fryling as Brom Bones

Brom Bones was portrayed by David Fryling. Getting rid of last year's character and getting into this year's, is what he remembers most about the production.

Mr. Phillip Johnson as Farmer Stuyvesant

Mr. Phillip Johnson played Farmer Stuyvesant as well as the Headless Horseman. He enjoyed this play because of his most memorable moment. One night he stayed late and the police came in to the school because the doors were unlocked!

The "Supersticious Yankee Folk" tell the audience why the town is overrun with supersticions.

Months before the play, the stage and light crew are busy putting the scenery together. [Thank you for making the play a success!]

Katrina Van Tassel is busy letting Brom Bones know just what she thinks of him.

While Katrina Van Tassel and Sleepy Hollow Girl Danielle Marsh look for delicious produce, the mischievous Sleepy Hollow Boys, Drew DeWulf and Corey Povenmire, try to grab and hide bits of food.

Ichabod Crane teaches his class of Sleepy Hollow children the importance of knowledge.

As Farmer Stuyvessant rambles on, the Widow Van Doorn sighs at the appropriate times.

W/JV FOOTBALL

Submitted by: Head Coach Dino Woodruff

Overall, the season was pretty successful considering the obstacle my team and I had to face when my wife passed away in September. I want to thank everyone for the love and support they gave us, and I know without you, we would not have been able to get through the season.

The team had many goals this year; including being a competitive team, and to go at least .500 for the season. We didn't have any serious injuries, and we didn't have a single person quit this year. This season was an incredible year, but most of all, we had fun. I am looking forward to coaching next year, with the upcoming eighth graders, and the returning lettermen. Everyone has been working hard in the weight room, so I believe we will have a fantastic team next year. I expect to see the community coming out to support the Tigers, and we'll see you in playoffs.

Quarterback Josh Eichar hands the ball off to Josey Woodruff while Eric Hutchison blocks his opponent, so Josey can run for a first down.

Bubba Kirchner, gives his team some "encouraging" words, and tries to get them pumped up to play hard, and win!

"This was a drink of relief. I usually took a drink of water after we scored. That's the truth", says Coach Dino Woodruff.

LEFT: Bubba Kirchner, watches his opponent hit the ground, hard, after "pulling and pancaking" him while he makes a hole for Josh Eichar to run through.

RIGHT: The Fighting Tiger Varsity football team joins in a team huddle before they take the field.

What do you think was the biggest accomplishment made by you or the team this season?

DONALD KIRCHNER
"My biggest accomplishment wasn't really during the season, it was in the off season. I lifted as hard as I could so I could be a bigger help to our football team, and it showed on the football field."

JOSEY WOODRUFF
"We had a lot of accomplishments this year, but I would say winning an M.A.L. game and like throwing for 1,000 yards."

ERIC HUTCHISON
"I'd say winning an M.A.L. game, getting like 1,000 yards and being a competitive team in the M.A.L."

Josh Eichar, the Tigers' sophomore quarterback searches for a receiver to pass to, while his teammates block for him.

LEFT: Jacob Ford, holds onto the football like his life depends on it, after making an awesome catch.

RIGHT: In loving memory of Robin Woodruff (September 3, 1962-September 13, 2003). She will be greatly missed by her family and friends, as well as school and community. Robin left this world while watching what her sons, Bubba and Josey, as well as husband, Dino love doing most... taking part in the much loved game of football.

MS FOOTBALL

The North Baltimore Middle School Tigers had a good season this year. Their record was 5-2. Coach Jon Eichar was very happy with the team's performance, stating, "They improved from last year. The team also recognized their improvements, and many said, they will play football next season."

When asked about the highlights of the season there were many responses. A majority of the players stated the fact that everyone got to play as their biggest highlight. Others stated, "coming in second place was their highlight of the season." A few others answered the "shutout against Carey." (They beat Carey 20-0).
