Mackenzie Carpenter and Tearra Huitt show off their unique dancing style at the Jr. High homecoming dance, unaware of the camera capturing their moves.

♥♥ I was happy to win, but I was a little embarrassed by the 'Burger King' crown I had to wear. ♥♥

THE COURT ON THE COURT Emily Stewart, Tommy Hillard, Andrea Smith, Michael South, Chelsey Woodruff, Ben Phillips, Courtney Lincoln, Marcello Trevino, Megan Grilliot, Noah Patterson, Mackenzie Carpenter, and Todd Carver.

ALL SPIRITED UP Hannah Shank, Brinna Ferguson, and Kelli High. Middle: Ashley Miller Back: Alyssa Pixley, Leona Euler, and Maggie Peate. It took these girls longer to get ready for Spirit Day than it does for regular school days.

FUN IN THE SUN The 7th graders show their school spirit by dressing up for Hawaiian Day during Jr. High Winter Spirit week. Front: Hannah Shank and Ashley Miller. Back: David Lopez, Derek Kepling, Leona Euler, and Maggie Peate.

FLOAT FUN Terry Crill was proud to push the winning spirit cart which belonged to Ms. Tarney's AA. The cart depicted Tiger Spirit with a sign that stated, "Big or small Ms. Tarney's AA is the best of all!"

♥♥ The theme of the dance, Winter Wonderland, really stood out because of the lighted snow flakes, that hung from the ceiling. Everyone enjoyed the loud music. It helped us dance the night away. ♥♥

Mr. Lyon taught Mrs. Matthes as well as Mrs. Garner in Junior High math.

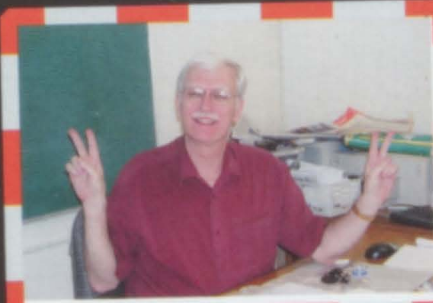

Tommy Chaffin

Tommy Chaffin said that he will miss Mr. Lyon because it just won't be the same without all the good jokes while playing chess.

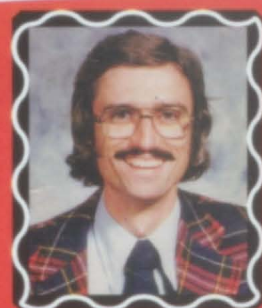

Mr. Lyon was. . .

- *Funny
- *Unpredictable
- *Spunky
- *One of a kind
- *Joyfull
- *Caring
- *Outstanding

30 YEARS
* AT *
NBHS *

Mr. Lyon says,
"PEACE, I'M OUTTA HERE!"

Mr. Lyon supported the 70's look in a plaid jacket, mustache, and long hair. Who would have thought?

It's sad to say goodbye...

Mr. Lyon retired after teaching 30 years of various math classes at NBHS. He started as a Jr. High math teacher and then moved to High School. He also has his masters in guidance counseling.

He was an advisor for the senior class, sophomore class, and Student Council. He also helped out with the concession stand for those classes.

After retirement, he plans to golf, travel the world, teach the bible, clean his office, and sleep. He also plans to do odd jobs around the house that he

hasn't been able to do for the past 30 years.

He taught Mrs. Garner and Mrs. Matthes and they are now his co-workers. They said that they will miss him and all of his jokes dearly.

All who know him will miss his knowledge and advice at North Baltimore High School.

"Thanks for all the years of dedication." -Mrs. Garner

"Thanks for all of the memories. Best wishes on your next adventure." -Mrs. Matthes

Tommy Chaffin is getting beat 54-57 in his game against Mr. Lyon. He was sad when he realizes this will be his last game against him.

Corey Hunt said that he will miss Mr. Lyon and all his advice when working on math problems. He also said he will miss all the fun times he had when listening to Mr. Lyon's jokes.

PERFORMANCE TIRES BY COOPER

Available from your friends at

Findlay, OH • (419) 422-0414

Cooper Tires • Brakes • Shocks • Alignments • Exhaust • Batteries

CONFIDENCE. PERFORMANCE. MILEAGE.
DON'T GIVE UP A THING.

PRESSURE

Underinflation is the leading cause of tire failure. It results in unnecessary tire stress, irregular wear, loss of control and accidents. A tire can lose up to half of its air pressure and not appear to be flat! Check it monthly and before long trips.

ALIGNMENT

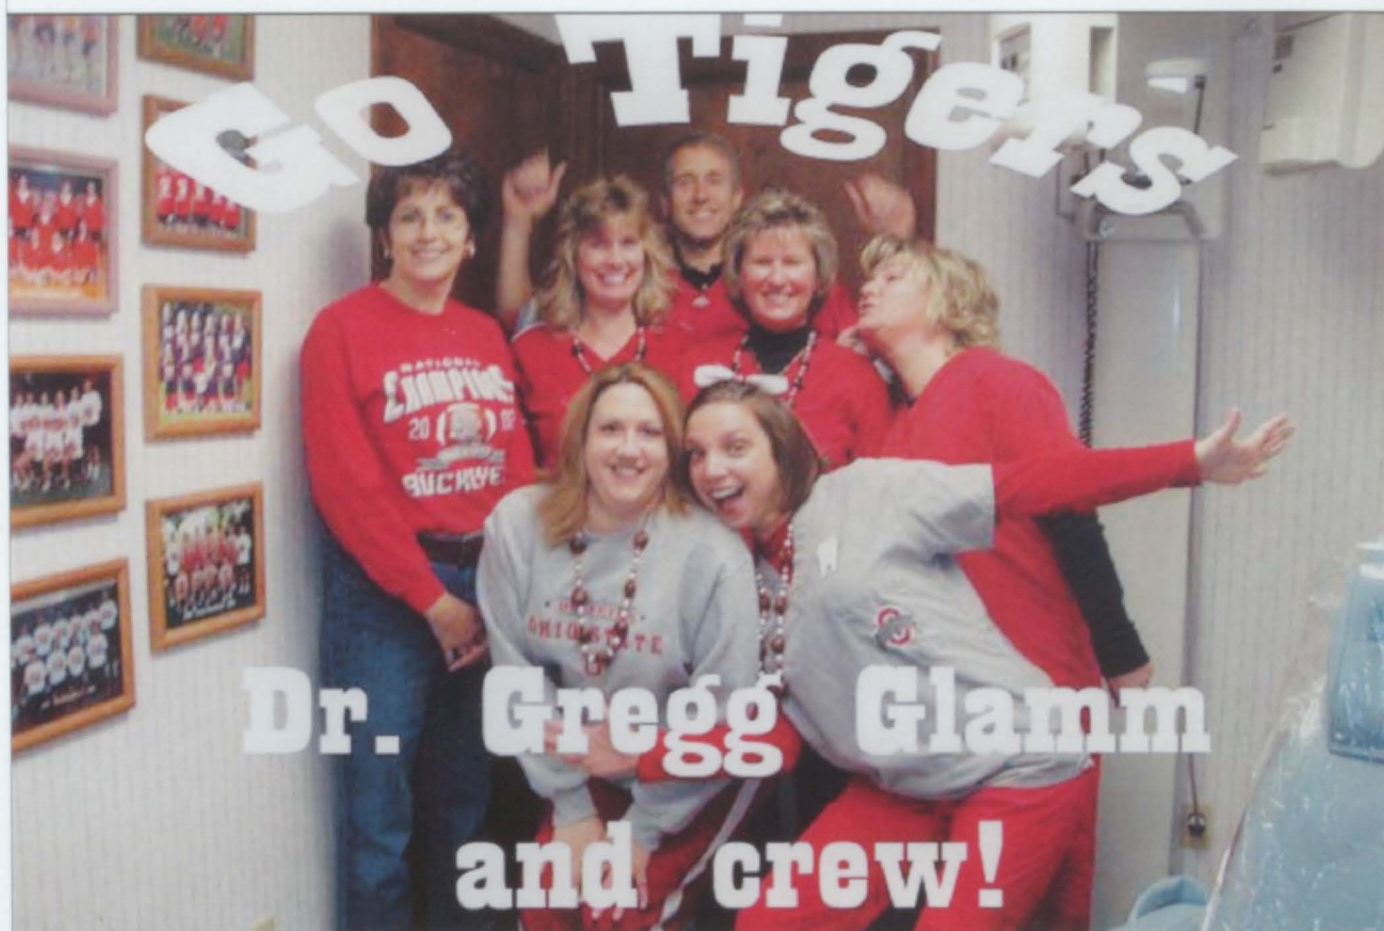

A bad jolt from hitting a curb or pothole can throw your front end out of alignment and damage your tires. Have a tire dealer check the alignment periodically to ensure that your car is properly aligned.

ROTATION

Regularly rotating your vehicle's tires will help you achieve more uniform wear and help your tires last longer. Unless your vehicle's owners manual has a specific recommendation, the guideline for tire rotation is approximately every 6,000 miles.

TREAD

Advanced and unusual wear can reduce the ability of your tread to grip the road in adverse conditions. Visually check your tires for uneven wear, looking for high and low areas or unusually smooth areas. Also check for signs of damage.
