HEATING UP THE COURT

The fighting Tigers basketball team had a rough but fun year. The freshman, JV and varsity teams went through conditioning, and long hard practices. For every game the JV and varsity team dressed up for game day by either wearing their basketball ties, white shirts, and khakis, or by wearing khakis and a sweater. The teams would shoot baskets every home game before the opposing team arrived. Then they would dress in their pre-game warm ups and get focused on defeating their opponent. "Before each game I would try and zone in on the game and try to do the things that we learned in practice," said Peter Euler. The varsity team captains were Senior, Troy Rayle, and Senior, Jared James. Varsity and JV practiced together and the Freshman team practiced alone. There were a few players splitting their play time between the JV and varsity teams. These players had to spread out their quarters for each game night to stay energized and ready for the next game. The Tigers also had two water boys, Corey Bean and Nathan Flores. They helped out by getting warm-ups, towels and water for the players before and during each game. All three basketball teams played a good season and fought hard for every game. By: Marcello Trevino

LIKE ORANGE FLAMES

The girl's varsity team really worked hard to be a team this season. Every one of them said that teamwork was the most important part of what they did. They had a rocky season, and few wins, but every game, they played with their hearts and pushed themselves. They never gave up on each other. Their coaches, Mr. Mulholand and Mr. Kloepper never gave up on them either. At the end of the season, the girls had to say goodbye to seniors Serah Lukas, Lacie Orians and Baley Delancy. The underclassmen girls were all very sad to see their friends play their last tiger game. Senior night was a great way to say goodbye and to show them how much they were appreciated. "I really think next year's season will go much better. I can feel it" said Kirsten Bowers. If the girls keep putting their heart into what they are doing, and never stop playing as a team, next year's season will be phenomenal. By: Holli Cramer

PINNING FAST AS LIGHTNING

This year Coach DuVall led the wrestling team to a great season. Jacob Gillen was the caption of the team. Jacob liked being the captain because of the responsibility; he felt important. He had a great time wrestling this year winning 28 matches. The advise he gives to next years team is to prepare for hard practices; to be willing and determined to work hard. Another team member, Michael South, stated that he also had a good season. He chose to do wrestling for a different reason. Practices and matches got him prepared for the football season. But he found out towards the end of the season that wrestling was one of his favorite sports. Taylor Dick had the most fun on the bus ride home. Although Taylor was on crutches most of the season, because of a knee injury, he was still right there cheering his team mates on. By: Shushona Orr

Track was fun and educational for everyone that participated in the sport. The team only had two home meets during this season. The teams participated in events like the 100-meter dash, discus, hurdles, poll vault, relays, and more. The team had a total of 29 members this season. There were 9 girls and 20 boys. One of the 9 girls on the team named Emily Rayle said "My favorite thing about track is throwing the discus. My least favorite thing about track is running long distances." Corey North commented, "If I could describe track in one word it would be fun. Everything is fun except for running." The team practiced almost everyday at the elementary school. They had a lot of support from their parents, friends, and coaches. Everyone had a great time running, jumping, and enjoyed competing against other teams. They had more fun just messing around at practices than at the track meets. By: Ashlee Quantic

SLIDIN' ROUND THE BASES

The team had an exciting but rough year. The Tigers had about 9 returning lettermen, but only 3 of them were seniors. The Tigers had a decent season finishing 8-16 for their overall record. Although they finished last in the MAL, they put up a good match for all their opposing teams. "We had a good team this year, but we just couldn't hit the runners in when we needed to," said Eli Simon. The Tigers never gave up and fought for every game until the umpire called the final out. The team started out defeating Rogers High School with a run rule. But when the tournaments came around, they lost a close game to Northwood with a final score of 2-0. The year had changes as it went along. "This season marked a major change," said Gage Stewart. The players are excited to get back into baseball season for next year and some may play summer ball so they don't have to end the playing season so soon. Coach Flores is also ready for summer ball and is looking forward to seeing more people play summer ball. "You can only get better if you play as much as you can," said Coach Flores. "I LITERALLY OWNED IT," SAID MATTHEW WOODRUFF.

"THIS YEAR I HAD A FUN TIME WITH THE SENIORS I WILL MISS HAVING THEM AROUND NEXT YEAR," SAID MARCELLO TREVINO.

"I WILL MISS PLAYING FLIPS WITH ENGARD," SAID JACOB FLORES.

"I REMEMBER WHEN COACH JIMMY TRIPPED WHILE RUNNING THE BASES IN HIS WORK BOOTS," SAID ANDREW WILLIAMS.

THROWING FLAMES

The season was outstanding. Varsity was tied for first. JV lost 1 game. The varsity team includes 8 seniors, 2 junior, and 1 sophomore. The JV team includes 9 freshman and 1 sophomore. The senior will be missed. The girls worked well together to get where they were in the end. Conditioning was crucial, but was worth it in the end. Some of the girls' favorite things this season were the bus rides, running the bases, and being a team! Most of the girls have been playing since T-ball so they have had a lot of experience. The teams are described as interesting, family-like, comeback kids, unpredictable, full of pride, and energetic! The seniors helped the younger players succeed. "One thing that I will miss most this year is playing softball with the seniors. We all had a good time and had some good laughs," said Ashley Miller. This is Coach Frankie's first year as a varsity head coach. He had a very good season with the girls. Along his side were assistants Coach King, Coach Frost, and Coach Lauren. They all worked hard for what they have accomplished this year. By: Marcello Trevino

THE SOFTBALL GIRLS ALL DRESSED AS GANGSTERS TO SHOW THEIR SPIRIT. THE SENIORS HAD A BLAST ALONG WITH THE UNDER CLASSMEN.

CIARA HERNANDEZ SAID, “SOFTBALL IS A BIG PART OF THE SCHOOL AND HAS DEFINITELY MADE AN IMPACT ON OTHERS AND THE COMMUNITY.”

BRITTANY VANAMAN'S ALSO KNOWN AS “ROOKIE” BECAUSE WHEN SHE WAS A FRESHMAN SHE WAS THE ONLY FRESHMAN ON VARSITY. SHE ALSO SAID, “WE HAD A GREAT SEASON, FULL OF A LOT OF FUN.”

DANI MORELOCK PLAYS LEFT FIELD. HER FAVORITE PART OF SOFTBALL WAS THE BUS RIDES AND PLAYING AS A TEAM. DANI WAS ONE OF THE SENIORS WHO PLAYED THIS YEAR. MANY OF THE GIRLS SAID THEY WILL MISS HER.
