Dalton Ishmael took 3rd place at the state meet. His record for the season was 50 -1, 42 pins. Record Pin 6 seconds. Overall record~133-14, 114 pins. Dalton's goal is to reach 180 pins by the end of his senior year. "It feels great to be known as the 'great wrestler from North Baltimore,' because I'm representing my town and myself."

Amanda Hotaling cried tears of joy when she thought about how hard she worked to get to the state meet. She cleared 12' 4" to take first place, although two weeks earlier at the MAL's, she set the school record of 12' 5". "After winning first place my freshman year, it was always my goal to win again and I achieved that goal." There are many people she would like to thank for supporting and helping her along her journey over the past 4 years. She hoped she had made NB proud as the entire town showed their support, and celebrated her win as if it was a win of their own. But most of all, she would like to thank her parents and family for supporting her and believing that once again she could take first place. Amanda went on to jump a personal best of 12' 6" at the Midwest Meet of Champions a competition that pitted the top placing seniors from the state track meets of Ohio, Michigan, and Indiana against each other.
