

"I was very pleased and impressed with the hard work the team put into their meets," said Kathi Bucher.

"My first year of track was terrific, the bus rides and meets were the best," said Julian Hagemyer

1] "My favorite thing about track was that I got to do pole vault," said Hailey Powell.

2] "I loved throwing the disc, I picked it up really easy and kept getting better throughout the season," said Kiah Powell.

3] "My favorite thing was throwing the disc because I did it last year and I love it," said Elizabeth Busch.

4] "I joined track this year to have a spring activity," said Noah Hetrick.

5] "My favorite thing to do was the high jump and I liked track this year because we did a lot of new things that were fun," said Nora Hemminger.

6] "I joined track this year because I saw my brother Cody do it and I thought it would be fun," said Kyle Gerdeman.

7] "Our team achieved our goal by winning MAL awards," said Taylor Bishop.

8] "My favorite meet was at Van Buren because it was a relay," said Hanna Rose.

9] "I did my best at the MAL because that's where I ran my fastest," said Noah Brian.

Middle school track was outstanding this season. Everybody seemed to enjoy it and gave their best effort. All of the students agreed this season went by extremely fast. Also all teammates cheered on each other. This helped motivate a lot of the students. Everyone made good memories and

new friends. "My favorite memory was running a 400 meter dash in 58 seconds staying under a minute," said Noah Brian. The students went to the MAL game by motivating and helping each other out to get better. "I helped out my team by always having a positive attitude," said Hanna Rose.

## H.S. Cheerleading

The season started in the spring of last year with try-outs. Eight girls made the Varsity squad and six made the JV squad. Practice started as soon as try-outs were over. All through the summer the squad prepared for the upcoming football and basketball season. During football season, they raised \$200 by painting the downtown storefront windows for Halloween. As the football season continued, the cheerleaders believed it would be very inspiring to the midget cheerleaders if they taught them a dance and let them perform the dance at the homecoming football game. The squad agreed that it was exciting to see the little ones look up to them. "Cheering with the midgets was a great time. I believe it

was a very inspiring experience for the midgets because they got to experience what cheering at the high school level will be like for them one day," said Lacey Hall. Once basketball season came along, the squad stayed involved with the midget cheerleaders by having a Mini Cheer Camp. They had one week to teach the midget cheerleaders a cheer, chant and a dance to the song Hey Mickey. After the Mini Camp was completed, the participants were invited to cheer at the homecoming basketball game during halftime. The cheerleaders have done a great job this year keeping positive attitudes and being involved with their community.

1) "I like cheering because I get to do what I love and spend time with my friends," said Lacey Hall.

2) "The homecoming game was one of my favorites because it was really fun cheering with all the midget cheerleaders," said Rachel Gore.

3) "It was great getting to come back and see all the cheerleaders together. I'm very proud of them all," said Chloe Hamlin.

4) "I prefer cheering at home games because I like it when the cheerleaders have a bigger crowd to cheer with," said Hanna Brian.

5) "I am very proud that I am one of the first cheerleaders to graduate from the new school," said Ricci Emahiser.

"The coach can make you practice, the uniforms can show your colors, the effort can build your strength, the

6] "Cheering with the middle school was a fun time because it gave them a idea of what cheering for high school will be like," said Danielle Ferguson.

7] "Cheering is one of my favorite sports because I love showing school spirit and helping out my community," said Hanna Brian.

8] "I'm going to miss cheerleading very much after I graduate, especially cheering with my friends," said Taylor Straley.

9] "I enjoyed cheering on the high school squad because it made me feel more important to the school," said Morgan Wright.

10] "My first year of cheering for high school was great, because I like to cheer at high school games instead of middle school," said Leah Hetrick.

11] "There's a lot of things I'm going to miss about cheerleading after I graduate, but I'm going to miss cheering with Ricci the most," said Ashley Wagner.

12] "I've been cheering since elementary, it has always been one of my favorite sports," said Lacey Trumbull.

13] "I like cheerleading because it's been one of my passions since I was a little girl," said Haleigh Fleck.

1] "I absolutely had to play volleyball this year! It's my senior year and I wanted to play all throughout high school," said Ricci Emahiser.

2] "I began playing volleyball in the eighth grade, I haven't stopped playing since then," said Morgan Schloemp.

3] All four Seniors of the Varsity Team were excited for this season because it was their last year to be apart of the North Baltimore volleyball team. "Volleyball is my favorite sport and I have played all throughout school, so I couldn't resist playing my senior year as well," said Megan Wright.

4] "When I save a ball I get an adrenaline rush," said Mariah Archer.

5] "Even though volleyball is not my favorite sport, I still love it," said Emily Gerdeman.

6] "I love volleyball because it's competitive but also fun at the same time," said Mackenzie Stewart.

**Varsity:** Front Row: Alivia Light, (watergirl) Megan Wright, Ricci Emahiser, Chelsea Stewart, Leah Lee (watergirl). Middle Row: Ashley Wagner, Allyson Flores, Dominique Buchanan, Jasmine Bretz, Mackenzie Stewart, Janae Rensch. # WE ACED THE COMPETITION

The season started in the new gymnasium. "I think a lot of people like the new gym. Starting the season in the new school felt like a renewed sense of community and kept the teams spirits up." "The new gym gave the team a lot more room to play as well as practice," said Caleigh Pryor, member of the freshman volleyball

team. "It was really fun being able to experience being able to play on the freshman, junior varsity, and varsity teams this year," said Emma Rister. This year many of the freshman players were very talented and got to be chosen for more than one volleyball team to play on.

7] "When I make my approach for a tip, I remind myself to hit the ball hard," said Lacey Trumbull.

8] Olivia Frost played on both the Freshman and JV team. "I think it's important to be pumped up for the games. The teams always had fun on the bus rides"

9] "The most exciting part of the MAL game was playing with the team, although we lost it was a great way to finish the season," said Morgan Sams.

10] Kenzie Carles was a member of the JV team this year. She was the libero this year which means she plays back row only. "I was really excited when I got the libero, because I enjoy playing back row, but it's also hard work," said Kenzie.

11] "My favorite spot to serve on the court is the middle left. That's where I do my best," said Ashley.

12] "I had many reasons for playing volleyball. But, the two main reasons were, I have been playing since fifth grade and this was my first year in high school," said Emma.

13] "When a ball is coming towards me in the middle of a game, a lot of things go through my mind but one of them is that I definitely have to be ready for anything," said Cheyenne.

"It was great to see improvement and confidence in each of the players!" said Coach Amy Eisentrager.

This year the cross country team started the season with open runs in the summer. They welcomed new team members, as well as a new team captain Brandon Senecal. "Both teams improved greatly. The varsity girls program especially grew in numbers, this year was exciting to see them compete as a team. They had great accomplishment as they won the Bath Innovational. The varsity boys

program saw the new athletes begin to develop and help push the returning letterman, who helped improve all of their times this year," said coach Bradlee Rowlinson. Brandon Senecal said, "the hardest part about being captain was telling some of my team mates that they were slacking and they needed to start pushing themselves harder."

1] Senior, Brandon Senecal will graduate with a career record of 19:13. "I will miss waking up early for Saturday meets," said Brandon

2] A.J. Hotaling's personal record was 19:16. "It is important to push hard at practice so you do good at meets," said A.J.

3] 20:10 was Nathan Flores personal record. "I pushed myself because I didn't want Tyler to beat me," said Nathan.

4] "I like cross country because we get to do things we don't get to do in other sports like camping," said Tyler Stimmel who's best time was 20:04.

5] Cody Gerdemens personal record was 21:44. "I like running in the woods because it is cooler," said Cody.

6] "My favorite practice was when we ran to Taco Bell," said Reagan Fleckner who had a personal record of 22:33.

7] "I was caring Jeanella over the ditch at the Elmwood Fun Run, because she did not want to jump it," said Megan Ernberger.

8] "It was a blast getting to go in the water with my teammates even though the water was freezing," said Madison Fitzgerald.

9] "We went to the Good Will race. Our costumes we got at Wal-Mart," said Nathan Flores.

10] "After big races we have a cook out, I enjoy doing this because it brings the team closer," said Mariah Leonard.

11] Megan Ernbergers best time was 23:23. "I enjoy running at Ells Park because I always do well there," said Megan.

12] Mariah Leonards personal record was 25:50. "I enjoy running because it is peaceful, the team is a big family and we are always supporting each other," said Mariah.

13] This year was Jeanella Browns third year of running high school cross country. Her best time was 25:23.

14] "Never give up, push no matter how hard it gets," said Brittany Daughenbaugh who had a personal record was 26:58.

15] Hailey Millers personal record was 27:34. "Brittany pushed me because we ran together and I tried to beat her at the end."

16] This year Madison Fitzgerald personal record was 29:26. "We had a game day with Elmwood, it was a blast! This year was difficult because I injured my knee," said Madison.

17] "Going to the MAL's the bus got a flat tire, I was worried that we would not make it there on time. They even started the race before everyone was ready. My teammates and I were still stretching when they fired the gun," said Mariah Leonard.

18] "We choose to be old ladies because we could not agree on anything else," said Madison Fitzgerald.

In the end, our fighting tigers won only two games; against Holgate and Lakota.

1] Senior Jacob Williams was a useful utility player, he played any position he could. "My favorite game was against Lakota because we went out with a bang!" said Jacob.

2] "Without teamwork and chemistry, no team is successful. There is no "I" in TEAM!" said Senior Jady Snyder.

3] Freshman Zach Meggitt never came off the field, he played offense, defense, and even special teams. "Next year we have to work as a team to be more successful," said Zach.

4 & 9] Sophomore running-back Lane Bishop breaks off a long run. "I just try to think about scoring every chance I get," said Lane.

This year's senior class worked hard every day during the off-season, and played hard during the regular season.

5) Junior Gabriel De Los Reyes started as a split-end all season. "I will play again next year and will try and have a better season," said Gabe.

6) Junior Tyler Trumbull was a key player that could play almost every offensive position. "I will definitely play again next year because I love the game of football," said Tyler.

7) Senior Jordan Watson played hard as the quarterback and line backer this year. "I love football because I can hit people without getting in trouble," said Jordan.

8 & 11) Senior Captain Dalton Ishmael led the team in rushing with 670 yards. "I always played my hardest. You never know which play could be your last," said Dalton.

10) Junior Brandon Solly worked hard outside of football to be ready for each game. "I'm already thinking about how to improve for next year," said Brandon.

Water-girls Courtney Bretz, and Kelsey Gazarek showed their support by helping the boys out every game with water and towels.

The Tiger players all came to one common conclusion at the end of the season, that dedication was something lacking from the team's game style. The team decided not to let past losses bring them down and to try and prepare for their future. Although the

team only achieved two victories this year, they will work as a team to improve for next year. Lifting weights in the off-season is something that will greatly benefit the team for next year. A new sense of commitment to the team will help, too.

# THE GREEN TEAM

Golf

The team started their golf season in early June with many practices crowding their schedules. The team spent a lot of time together practicing putts and learning ways to keep their patience while they take on many competitors like McComb, Lakota, and other schools around the region.

"The season was good overall, but we also had our ups and downs, which we worked through slowly," said Kelcie Bean. The team supported each other through the good and bad matches over the course of the season. There are high hopes for next year's team.

1) Rachel Peters followed through her swing and watched for where her ball would land.

2) Corey Bean's favorite place to golf was at Indian Brook. "The course was complex but fun. I think it was probably my best meet."

3) "I decided to join the golf team my freshman year, but I had experience before the year started from golfing a lot with my dad, who got me interested in the sport," said Jacob Frost.

4) "My season didn't go as well as I had hoped this year. I wish we would have won a couple more meets than we did," said Garrett Boyer.

5) "My inspiration is Rickie Fowler. He always knows when to putt or swing and he always keeps a calm mind when his plays don't work like he wanted them to," said Morgan Rose.

6) Chad Wright and Rachel Peters enjoyed golfing a lot. "It's a good way to relax your mind but it takes a lot of patience, which I don't have!" said Chad.

7) "Golf is an amazing sport. Everything is better when you're patient on the course," said Rachel Peters.

"I like to shoot for my goals in golf," said Kelcie Bean.

8] "The season started for me in June and it was really fun but as time went by, I didn't do so well," said Garrett.

9] Kelcie Bean hustles to the next hole. "Golf is so fun and relaxing."

10] "I feel like my season went better than I had expected it to. I had more hole-in-ones than I strived for," said Brock Boyer.

12

11] "My season didn't go as well as I had hoped this year. We had a few wins but more would've been better," said Garret Boyer.

12] Brock Boyer's favorite course was Indian Brook. He and Cory examine the course to decide which club to use.

13] "I think Jacob Frost took on a leader like role. He always gave people advice on their swings," said Brock Boyer.

14] "My favorite place to golf was at the McComb meet. It was the best course for me," said Morgan Rose.

15] "Home meets are where I'm best because I know the green so well," said Jacob Frost.

16] Chad Wright replenishes himself after a long meet. "Brock took on a leadership role. He showed me how to watch my swings and to always make sure I was patient if my ball didn't do what I wanted it to," said Chad.

17] "Golfing with your friends is a fun experience," said Corey Bean.

2] "The worst part about this season was when I got injured during practice and had to sit out," said Gabriel De Los Reyes.

3] "I played basketball this year, because it is fun to play," said Garrett Boyer.

4] "I feel that the most important aspect of playing basketball is bonding with your team," said Christian Richmond.

5] "The hardest part of the season was the conditioning, because it was a lot of running," said Nathan Flores.

6] "My favorite part about this year was being able to play on JV as a freshman," said Sean Watson.

This year the players started their season with open gyms and conditioning. Conditioning included learning the plays, working on their shots, lifting, and a lot of running. They also held fundraisers to pay for team socks, practice shorts, and shooting shirts. The fundraiser included the players having to find sponsors who would donate any

amount of money everytime one of the players made a shot out of 100 free throws. Practices were similar to conditioning, because the time was spent on learning plays, working on the fundamentals of basketball, and lots of running. Overall the boys didn't get many wins, but they worked together as a team, which is one of the most important aspects of basketball.

8] "I like to play basketball because it keeps me in shape," said Jacob Frost.

9] "My greatest improvement was getting less turnovers this season," said Chase Nichols.

11] "Being at penta doesn't affect my playing time, because I am still able to go to every practice which I really like," said Austin Ickes.

12] "The most important aspect of basketball to me is knowing your team, because then you will know their strengths and weaknesses," said Christian Richmond.

13] "If I had a chance to change anything about this season, I would have worked harder during practices, because then I would have done better during games," said Jordan Watson.

14] "I feel that our worst game was against Vanlue, because we played poor defense and offense, which caused us to lose," said Jacob Frost.

15] "I usually play my best when I'm playing in the home gym, I am more comfortable playing in front of our family and friends," said Chase Nichols.

16] "I feel I could have improved on my offense a little bit more by scoring more points," said Tyler Trumbull.

17] "If I could have changed anything about the season, I would have changed the amount of wins we had and would have gotten more points," said Lane Bishop.

1] "I play basketball because it's fun and you stay in shape," said Kelcie Bean.

2] "My favorite part about basketball is the challenge for the win," said Emma Rister.

3] "I have played basketball since the fourth grade because I love it and I have become better at playing," said Taylor Grilliot.

4] "Basketball has made me set goals for myself and try to work towards reaching each individual goal," said Morgan Okuley.

5] "Basketball has influenced my life by encouraging me to try new things. You never know until you try," said Kaitlyn Leady.

6] "I love everything about basketball." Ricci Emahiser's biggest influence is Coach Greg because he helps everyone individually on what they need.

"Basketball teaches me a lot. It's a team made from individuals, each one different, but also similar. We try to put the right pieces together. Patience, loyalty, and I'm still learning," said Coach Flores. Coach Flores wanted to become a coach to try and help kids learn the game, sportsmanship, how to win, how to lose, how to handle situations, and how to work together. "I have been coaching for six years. I became a coach because I wanted to stay involved with basketball and I thought I could help out the girls basketball program. My favorite part about being a coach is watching the joy of the girls after they do something they didn't think they could do," said Coach

Wright. The head coach for the varsity basketball team is Coach Frost, who has been coaching girls basketball for ten years. This was his fifth year coaching varsity. "Coaching means teaching, teaching, teaching! Many young people are eager to learn many things, not just basketball. To be able to teach, I must be educated myself. The fellow coaches and I have trained very hard to make sure we can provide our student athletes with a quality learning experience," said Coach Frost. At the end of the season the varsity girls finished the season with nine wins and fourteen losses and the JV girls finished the season with nine wins and eleven losses.

7) "My favorite aspect of the game is just playing as a team and being the best we can," said Morgan Schloemp.

8) "My favorite part about basketball is the beginning because everyone's pumped up," said Megan Wright.

9) "My favorite part about basketball is being able to be a part of the team," said Megan Ernsberger.

10) "Basketball is different because you always have to be thinking ahead about what's next," said Madison Ray.

11) "Basketball gives me something to work at and become better at. Basketball means a lot to me. It means doing something you really like while getting to spend time with your friends too," said Rachel Peters.

12) "I thought basketball would be a fun sport to play, so I tried it and ended up liking it," said Morgan Rose.

13) "I play basketball because it's such a fun sport, and I enjoy spending time with my teammates. They're the ones who make it fun," said Madison Ray.

14) "I just love to play the game." On the court, Raegan Fleckner focuses on where her open teammates are and what she can do to get more of them open.

15) To stay focused Taylor Grilliot listens to music. "I play the best when I get mad."

16) "My favorite part of the game is just being out on the court with the team," said Lacey Trumbull.

1] "I'm going to miss wrestling. I'm going to miss the toughness of the sport the most. I love the challenge that wrestling brings," said senior Brandon Senecal.

2] "I'm going to miss the closeness of the wrestling family, the "tone" of coach King, the "Hello" of coach Thomas, however, defiantly not the smell of the room!" said senior Joel Swartz.

3] "I'm going to miss spending time with my teammates all the time and messing with the coaches. I'm also going to miss the competition and all the fun during the season," said senior Dalton Ishmael.

4] "I'm going to miss being with my friends all the time," said Brice Bankey.

5] "I'm going to miss being a competitor and spending time with the wrestling family," said Samuel Kaufman.

6] "I originally started wrestling because I was bored during the winter. My friends wanted me to try out and after the first year I wanted to do it every year," said Joel Swartz.

7] "I wrestle because it keeps me in shape and it really teaches me life lessons," said Joel Swartz.

12] "I always try my hardest so I can be the best," said Brice Bankey.

13] "Wrestling is my favorite sport because I'm good at it, and because it helps you become mentally and physically stronger," said Brice Bankey.

14] "When I'm about to go into a match I try to stay confident. I have a lot of experience so I try and stay calm," said Dalton Ishamel.

15] "When I get a win I feel accomplished. It's a good feeling," said Kevin Bridge.

16] "Winning a match is the best feeling ever. You feel indestructible and all your hard work paid off," said William Griffith.

17] "I feel like a wrestling match is the biggest competition you'll ever meet in high school, so you have to give it your all," said Samuel Kaufman.

New team mates and a new record made this season a very eventful one. Dalton Ishmael beat the state record of career pins with a total of 154. A few of the boys made it to Regionals

and Dalton placed second at State. All the boys improved by the end of the year. The coaches were proud and boasted about their accomplishments at the wrestling awards.

Baseball

The team ended their season 17-10. At the start of the season, the team was nervous. "I was kind of nervous for the games to come at the start of the season. Our team prayed that we would win the league, that was the big hope of ours that we achieved," said Andrew Hollinger, varsity player. The coach, Marty Gazarek, made the boys

practice almost everyday at the field, getting in pitches, and working on technique. North Baltimore is very proud of our players, who reached their goal and won the league. North Baltimore had not won the MAL since 1991! We are so proud of all of our North Baltimore Baseball boys! Great job, guys!

1] "I like baseball, but I would rather have a future in football or basketball," said Jacob Pelton.

2] "The most challenging thing about baseball is coming together as a team for the win," said Jacob Frost.

3] "My favorite position to play is third base," said Tyler Trumbull.

4] "Baseball is a great sport and it's fun to play," said Brock Boyer.

5] "My favorite position to play is third base, but I play right field," said Brandon Solly.

6] "Inspiring advice that I would give is that baseball is a fantastic sport and very enjoyable. You never know what's going to happen or how far you will go," said Brandon Solly.

7] "At the start of the season I felt very confident because we are awesome!" said Chase Nichols.

8] "The thing I enjoy the most about baseball is winning," said Levi Newcomer.

9] "I've been playing for about fourteen years and I hope to be playing in college," said Tyler Trumbull.

10] "Advice that I would give people aspiring to play baseball is to forget about your mistakes and just move on," said Andrew Hollinger.

11] "My advice to someone is learn how to play the right way," said Zach Stewart.

"Just don't give up, boys," Marty Gazarek

12] "The thing I enjoy the most about baseball is being with friends and having fun because that is what it is all about," said Dalton Ishmael.

13] "I've been playing baseball for fourteen years. It's been a wonderful experience," said Garrett Boyer.

14] "When a ball gets hit to me in a game, I get really nervous," said Sean Watson.

15] "The thing I find the most challenging about baseball is hitting," said Chase Nichols.

16] "My big brother Jordan is my inspiration. He is the best," said Sean Watson.

17] "I practice a lot to prepare for the season," said Brock Boyer.

4) "Advice I would give to upcoming players is to always try your best, never give up, and keep a positive attitude," said Kelsey Gazarek.

5) "I play softball because it's a lot of fun to play with my teammates and I have created many great memories," said Megan Wright.

6) "My favorite game was against St. Joe because even though we didn't win, we fought to the end and never gave up," said Hanna Brian.

7) "My favorite aspect of softball is believing in your teammates because it's a team sport, it's not just you," said Kelcie Bean.

8) "When I am on the field, the only thing going through my mind is to just relax and to try my best," said Madison Ray.

"Diamonds are my obsession, I bat with aggression."
