

"Being a captain is a lot of pressure, but at the same time it's kind of fun," said Mackenzie Stewart, Varsity Co-Captain. "I felt very honored to be a captain because my team made me proud," said Morgan Schloemp, Varsity Co-Captain.

## The Legend Continues!

The Varsity boys started off the year without their head coach, Mr. Eichar, due to health issues. But they pushed forward to win their first game. The season was challenging for the boys as

they battled through the final year in the MAL. NB will be joining the BVC next year. The boys ended the season with 8 wins and 14 losses.

1. "There are a lot of benefits to joining wrestling. Some of the things I like are that it keeps me in shape and that I am always losing weight," said Zach Meggitt.

2. "I wrestle to keep in shape after football. I had an average season, winning just as much as I lost." said Kaleb Andrus.

3. "I think that others should join wrestling because it teaches good life lessons. It teaches you to work hard for what you want and not to give up," said Gage Carles.

4. David Bankey has been wrestling since his elementary days. "We all help each other when we are down."

Although the wrestling team did not have very many participants this year, the members did not let that get them down. "One of my favorite parts about the season was that I got to wrestle with my friends and the feeling I got when I beat people," said Zach Meggitt, a sophomore. There was a lot of support and trust in the team. "The people I looked up to this year were my coaches and my fellow teammates," said Gage Carles. "They were great." All of the members of the team showed that they were tight-knit 100% of the time, which helped member Tristan Fagan when it came to his performance. "I like how we are all there for each other. Also, I like the support from my coaches when I would beat my opponents," said Tristan.

## David Bankey

"Wrestling is something I have done for a long time. I can't depend on anyone else for the win. I have to go out there and get the win myself."

## Gage Carles

"My favorite part about wrestling is the hardwork we put in everyday at practice because it makes us better as a whole unit," said Gage Carles.

## Kaleb Andrus

Kaleb has 20 career pins so far. "I like learning new wrestling moves, especially when they help me get a win."

# Getting into the

## Varsity

First Row: Brodderick Naugle, Garrett Boyer, Sean Watson, Levi Newcomer, Second Row: Zachary Stewart, Brock Boyer, Noah Brian, Chase Nichols, Andrew Hollinger. Third Row: Jacob Frost, Zach Meggitt, Dominic LaWare, and Tyler Trumball.

The boys started their last season in the MAL. They had a tough beginning and after the first ten games their record was 1-9. Once the boys started working as a team with coaches, Marty Gazarek and Ryan Clark, the boys improved over the rest of the season, ending with the record 13-14. Zachary Stewart, Tyler Trumball, Jacob Frost, Garrett Boyer and Chase Nichols ended their high school career in the MAL. Next year, the team will begin their journey in the BVC (Blanchard Valley Conference).

1. "We went hard at the end of the year. A few young kids had to fill big spots and that's hard," said Levi Newcomer.

2. "We started off rough but in the end we had a decent season," said Zach Meggitt

3. "It started off slow then we picked ourselves up and worked together to pull out more wins," said Andrew Hollinger.

4. "It took us a while to get everything going but towards the end of the year we really started to play ball," said Brock Boyer.

5. "The season started off slow then near the end of the season we started to click and started to win some games," said Sean Watson.

6. "At the beginning of the season we didn't sync as a team but towards the end we played for each other," said Brodderick Naugle.

# Swing of things

"It was a pretty rough start this season we started 1-9 and I'm proud that we came back and ended 13-14," said Zach Stewart.

"I had fun playing with my friends this year. It was a tough year but we made it through," said Tyler Trumball.

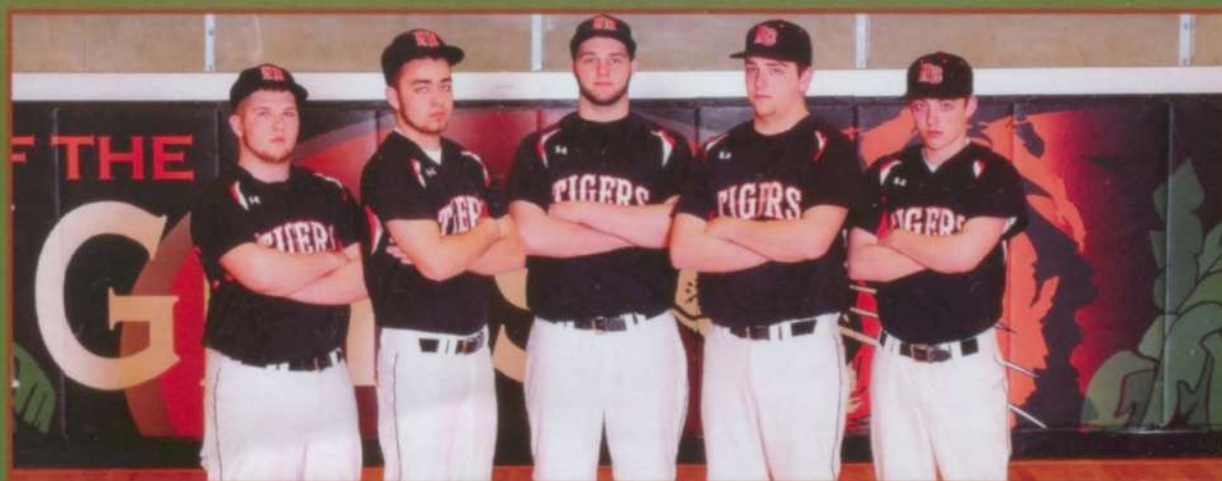

We had a slow start but it turned out to be a pretty successful season," said Jacob Frost.

"We started off the season on the wrong foot but pulled it together at the end and played like a team" said Garrett Boyer.

"We worked hard as a team to get to a 13-14 record, which is good after starting 1-9. We ended up being 3rd in the last season of the MAL," said Chase Nichols.

# Jv & VARSITY SOFTBALL

1. "I think our season went very well, there were some bumpy roads, but it turned out a lot better than what we expected it to be," said Cheyenne Hernandez.

2. "We didn't do as well as we'd hoped, but there is plenty of room for improvement. Be patient at the plate, and don't let those beautiful first pitch strikes go past you. Hit 'em hard and hit 'em well," said Jasmine Bretz. She high-fives Hanna on another great play.

3. "I like pitching because you really get a chance to be a leader and support your team. I also like playing softball because I get to bond with all of my teammates on and of the field. You really get to know each other and become a family," said Haylee Hopple.

4. "One thing I will miss about softball after I graduate next year will be all of the memories I made with my team, also we could of gone farther in tournaments but overall it was a good year," said Makayla Rein.

"Don't let other people's mistakes bring you down. Try to improve every pitch, every inning and most importantly every game. There is always room for improvement."

Kenzie jumped 8'6" at districts taking her to regionals. "It was so exciting to get as far I did this season. Standing on the runway at regionals with so many people watching was the most nerve racking thing."

Megan competed in the 4 by 100, 100 meter hurdles, 300 meter hurdles and long jump at districts. She made it to regionals in the 100 meter hurdles. "My best time running the this event was 16.99 seconds. It felt amazing to get as far as I did. And I was very proud of myself. The best part about going was getting the experience and knowing that my hard work paid off."

# Like Always Jump, Throw, Run Varsity Track

1. "It was fun to throw disc my senior year. I'm glad I finally got over 100 feet," said Cody Switzer.

2. "I threw 88.8 feet in disc, and 34'2" in shot. I beat my personal record when I threw my arm out," said Daniel Crouse.

3. "Long jump wasn't my favorite event, I just got thrown into it. My longest jump was 12'4", said Raegan Fleckner.

4. "This year my hard work finally paid off, I ended my season at districts with fifth place with a jump of 8'6", said Mariah Leonard.

5. "My favorite event is the mile. The two mile is just boring, even though I did get first in the two mile," said AJ Hotaling

18. "The best part about the season was watching myself get better. My best throw in disc was 136'8", my best throw in shot was 45'2", said Jacob Dick.

17. Nathan was a part of the relay teams, but also a great 800 runner. "My best time was 2:11. Making it to district finals was very surprising, but I am glad to say I qualified."

16. "The 4 by 2 team, with Nathan, Tyler, Christian, and I made it to district finals. It was a tough way to end the season. But I am glad I decided to do track," said Lane Bishop.

15. Siengpin was a thrower. And she ran the 100 meter dash. Her best time was 17 seconds. "I enjoyed running it," she said.

14. "My favorite part of track was long jump, but I also ran the 200 with a time of 25.9," said Gabe De Los Reyes.

13. "My farthest throw in shot was 24'8", the best part was watching other competitors compete," said Kaley McCartney.

12. I got to compete at something I loved. And feeling like I could fly was great. My highest jump was 5'. I also got 2nd team MAL," said Lindsay Davis.

11. Tyler Stimmel was part of many relay teams, but was an excellent 400 runner with a time of 53.36.

10. The 4 by 1 team, Jacob Pelton, Christian Richmond, Taylor Bishop and Lane Bishop, competed at districts. "The team worked hard throughout the season. Our best time was 47.63 seconds," said Taylor Bishop.

6. "Disc is my favorite event in track. I love competing and watching good throwers to make myself better. It was a rough season for me with a low personal record of 93'2" said Morgan Okuley.

7. "I dealt with a hip injury throughout the season. Every race was hard. But as the season went on it got a little easier," said Leslie Busch.

8. Districts went very well for the 4 by 2 team. "Lindsay and I always had good handoffs," said Cassidy Hiser.

9. "I threw shot and disc. I also ran the 100 meter dash, 800 meter dash, and the two mile. That one hurt. I improved a lot from the beginning to end of the season," said Aaron Fisher.

This years track team was a huge sucess. We had a large team, great coach and most importantly dedicated and hard working athletes. Head coach, Cyndi Hotaling said, "I became the coach because I love the sport and being around the students. Seeing them have personal victories, whether it be winning an event or having a personal best is so exciting. My main goal was to have the team improve weekly, and also advance to regional. I will have many returning players that I expect even better things next season. We had several individual events and relays that came very close to school records." It was Mike Seniors first year coaching for the North Baltimore track team and he coached the distance team. "I decided to coach at N.B. because I thought that it would be a good chance for me to share my experience with others. My main goal was to help individuals obtain a personal best in their events. I had a good first year experience, and with luck I can do it again." Bradlee Rowlinson coached high jump, and sometimes long jump. "We worked on the technique of jumping, we used workouts that would increase there performance." The track team is ready for next season!
