

Regional and state qualifiers left to right: Megan Ernsberger, Brandon Lanning and Jordan Bucher.

TRENDING ATHLETES

"My career ended shorter than I wanted it to, but I didn't let it bring me down too much because there's more to life than just high school sports," said Megan Ernsberger.

"State went great this year! I broke two school records one in the 800 and the other in the 400, I'm already excited to see what senior year will bring," said Brandon Lanning.

"Going to regionals was a great experience, the competition was a lot harder than a normal track meet. Even though I didn't make it to the state meet, I'm glad I was able to make the podium and place 7th out of 18," said Jordan Bucher.

Math 7th

"I enjoy the way Mr. Lamb teaches on the smart board rather than just reading from the book," said Gavin McGrew.

Pre-Algebra

"Math is fun because all of my friends are in my class with me and it makes math more enjoyable," said Lydia Hartman

Algebra I

"I've learned that math branches out to many other classes and that it is very beneficial," said Tyler Kline.

SP Math

"Math class has taught me many new things and I've learned you need to take your time and do it right," said Kenzie Sheeks.

"Mathie Board"

"I needed a good way to get students to want to do their homework and be excited about doing it," said Mr. Lamb.

Geometry

"I like working with Alyson Bays because she helps me with the problems I struggle with," said Brianaan Wheeler.

Algebra II

"I don't believe there is an easy topic in math. There is always something to challenge you," said Anthony Mungia.

STEM

"My favorite thing about STEM is Edready because we test over the things we've learned," said Jasmine Hummel.

Pre-Calc

"Math comes pretty easy to me so I usually get a good grade on everything," said Morgan Rose.

7th Grade P.E.

"My least favorite activity in gym class is the mile run. However, knowing I was going to play kickball afterwards always gave me the motivation to finish," said Malaki Peyton-Hobbs.

8th Grade P.E.

"If I had the choice, I would definitely take gym class again. It's one of my favorite classes because everything is always a competition," said Cheyenne Briner.

8th Grade Health

"I think that the most difficult thing Mr. Kloepfer had us do was arm hangs because I am not strong enough to hold myself up," said Abigail Empcke.

Freshmen P.E.

"I love gym class so much that I would gladly take it every year until I graduate, it's the best class," says Ryan Hunt.

Mr. Kloepfer

"I enjoy teaching gym and health class because I get the freedom to do whatever I want, but unfortunately the state's standards are making it hard for me to do that," said Mr. Kloepfer.

Health & Fitness

"My favorite thing we did this year was learning about nutrition. It's interesting to learn about how badly we eat and what we should eat to fix our weight issues," said Zach Meggitt.

Involvement

@jordanbucher

Mrs. Woods enjoys fundraising for muscular dystrophy, she believes that the little difference she is making is helping lots of people in need. Mrs. Hemming enjoys watching her kids dance, she considers herself a dance mom, but not the kind you see on television, rather a friendly dance mom. Mrs. Birely considers herself a mother of track stars. When she's not teaching her students she is supporting her kids in cross country and track. If she's not at school she's at the track supporting her children.

Ms. Myerson taught middle and high school choir. In her free time, she reads and enjoys discovering new music. This year, Ms. Myerson talked about the accomplishments that choir has made and how proud she is of everyone. "I think our biggest accomplishment is our middle school choir. We started with seven kids and over the years we have grown to forty, and half of them are boys which is incredible. I am so proud of our program as well. We have so much momentum and determination and I'm happy to see where it will take us," said Ms. Myerson.

Intro to Business

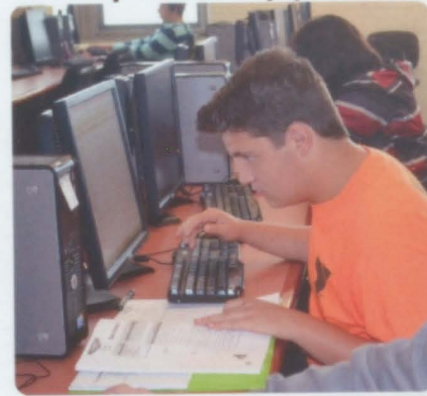

"I took Business to learn more about how our economy works and how the average person interacts with it," said Connor Law.

Law

"I really like Law class because it's about court cases and different kinds of offenses on society and crimes," said Giovanni Greco.

Computer Apps 1

"Computer Apps 1 has taught me a lot of new things because I really didn't know a lot of the things in the class," said Brandon Bailey.

Computer Apps 2

"Computer Apps 2 is a lot different than Computer Apps 1. Instead of using Microsoft Word, we are learning how to properly use Powerpoint and other things," said Dalton Teaford.

Keyboarding

"Keyboarding class was enjoyable this year because I learned how to type faster, and the lessons were simple," said Aidan Houck.

Online

"My favorite thing about online classes is that you can get through it at your own pace. Plus, it gives me unlimited activities and goes by fast," said Vada Koeffler.

Auto Tech

"Penta has changed my life by allowing me to have hands on interactive learning experiences and more opportunities than a regular school," said Aubrey Wheeler.

Construction Concepts

"I made a good decision coming to Penta. The opportunities given to me and getting ahead in life is a great experience," said Jagger Murlin.

Construction Electricity

"I love Penta and what it has to offer. I think that a new and different setting helps you learn how to deal with problems, and coming here will change your life," said KaeLah Bishop.

Construction Masonry

"I enjoy the fact that I don't have to sit in a classroom all day and that I am getting a hands on experience so I can get a job right after high school," said Gabe Mason.

Cosmetology

"I think Penta was a good choice because I like making people feel good about themselves and getting a smile back," said Maranda Young.

Culinary Arts

"I have always been around people who cooked and I enjoy making good food for good people," said Dominick Rivera.

Digital Video Production

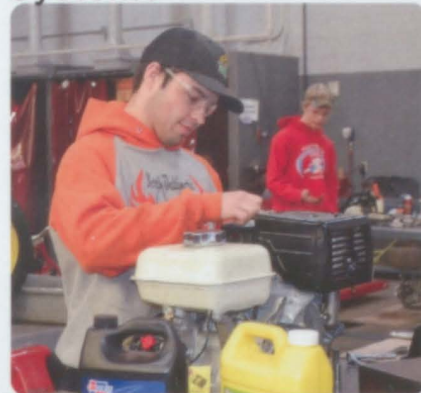

"If I had the choice, I would come back to North Baltimore because I miss my friends and going to Penta makes it hard participate sports," said Derek Archer.

Early Childhood Education

"I was having troubles with school and Penta seemed easier. I love working with kids because it brings a smile to my face," said Bryce Gunter.

Gas & Diesel Engine Systems

"I like how I can earn my trade in high school and not have to just sit in a classroom to learn," said Taylor Bishop.

Heating / Air Conditioning Tech

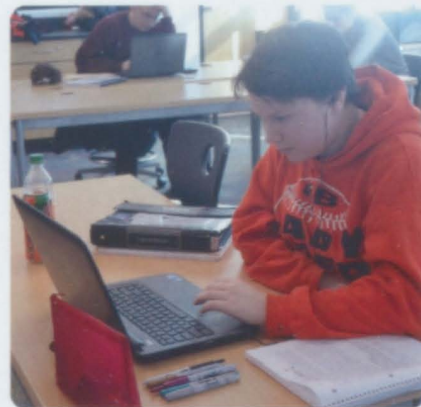

"I love NB so much, but I wanted something different. I wanted to meet new people and get a head start on an amazing job," said Caleb Donaldson.

Interactive Media

"I really enjoy finding people that share the same interests as me and getting to learn my chosen job," said Topanga Eiland.

Marketing Education

"At Penta I have learned how to run my own business and I have met all different kinds of people from different schools," said Mackenzie Furniss.

Public Safety / Criminal Justice

"If you're thinking about coming to Penta, I highly suggest you do it because you get many opportunities and you will not regret it," said Caleb Swope.

Sophomore Exploratory

"Coming to Penta is one of the best choices I've ever made. I have made so many friends and have learned so many things that will be helpful later on in life," said Tessa Shifflet.

Welding

"Welding has been a part of my family history and I like that I get to go right into the workforce after high school," said Tyler Bumpus.

Instrumental

Mr. Pack taught 7th and 8th grade band, as well as high school band. In his free time he likes going to Toledo football and basketball games. This year Mr. Pack expressed how he felt about band and the one thing he accomplished, "I'm very proud of the new members learning how to march and play so quickly. The seniors and section leaders always step up and make sure the quality of the band always remains strong. Our biggest accomplishment was our successful preparation for our performance at Disney. We spent weeks preparing and had two 20-hour rides on a bus. The day of the parade was very hot, but the band did a phenomenal job!"

7th Grade Band

"I really enjoyed band this year. It's fun playing different songs and I like how Mr. Pack tells us jokes when we have breaks. Next year, I'm really looking forward to being a part of the high school band because my step-sister told me how fun and exciting it was," said Sophia Makaravage.

Jazz Band

"I joined jazz band because it helps me increase my trumpet playing skills and I just enjoy playing music. My favorite part of jazz band is performing in concerts, learning new music, and being alongside my friends," said Tanner Gray-DuVall.

Marching Band

"I enjoyed my experience in the high school marching band this year. I felt that it greatly improved my playing capabilities. Even though it was cold or wet some nights, I loved being a part of the marching band," said Abigail Empcke.

Majorettes

"I enjoy twirling at half time and seeing the crowd get excited when Zoey, Morgan, and I twirl fire. It's my favorite part about being a majorette, and it is something different than what we normally do," said Lanie McCartney.

High School Concert Band

"I always enjoy playing for the community, it puts a smile on my face when everyone does well! Band has always been an obstacle for me, not because it's hard, but because I always want to do better," said Seth Thompson.

Pep Band

"I enjoy pep band because I get to be with my friends and it's an easy way to have fun while watching the boys and girls play basketball. My favorite part is when we all scream and cheer for the teams," said Brendan Hutchins.
