

Candle Holder

Supplies: hot glue or a good tacky glue

1. Paint the bottom part of the wine glass orange, let dry for a little while.
2. Paint the stem green, I carefully blended the paint together where the stem and glass come together.
3. Let dry.
4. Wrap the twine together and put a small dab of glue to secure it in place.
5. Add the flower, secure it with a dab of glue.
6. Enjoy.
