## Do You Have Holds??

Just a reminder that if you have requested items that are on hold, they need to be picked up within 1 week of you being notified. This is to ensure that all library patrons have use of items promptly. Notifications are done either by phone, text, or email, whichever you choose when signing up for your library card. The method of notification can be changed at the main desk or by calling 419-257-3621.

## Patron Point

The North Baltimore Public Library has begun to utilize a new feature in our system called Patron Point. Patron Point allows the library to send emails directly to patrons who have an email registered in the system. We will be using this feature to send out emails about upcoming events and programs. If you would like to be sure to get these notices, please be sure to add an email to your library card account. You can do this by stopping at the main circulation desk or calling 419-257-3621.
